

Kansas State Fair 2017 Summer Reading Challenge

Reading Journal

A book is a magical thing. Once you open one up and start to read, you can find yourself transported to any place in the world, any time in history, or any fantasy your imagination can envision. The best part is that you can reach the most exciting destinations without ever leaving home. Books can be fun and educational! The Kansas State Fair wants to encourage students to read over the summer and learn more about agriculture. Simply read eight qualifying books this summer and record them on the back side of this page. Books read aloud by an adult can also be counted. Bring or mail your completed journal to the Kansas State Fair by August 15 to receive your KSF reading fun pack which includes a special ribbon & fun Kansas agriculture information. Your name will also be put into a drawing for a free Kids Club ticket package to attend the 2017 Kansas State Fair.
