DEPARTMENT X
4-H/FFA- YOUTH ACTIVITIES

Be sure to read the General Rules beginning on page 12

Please note that not all Sections are eligible for 4-H and FFA Participation

NOTE: (Highlighted items denote changes/additions for the current year)

Rules and Guidelines in Department X – Youth Activities are set by K-State Research and Extension, Coffey County in compliance with Kansas 4-H Policy guidelines. K-State Research & Extension is the shortened name for Kansas State University Agricultural Experiment Station and Cooperative Extension Service. K-State Research & Extension Coffey County is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to a physical, vision or hearing disability, contact Darl Henson at 620-364-5313. K-State Research & Extension is an equal opportunity provider and employer. All inquiries pertaining to the youth department should be directed to K-State Research & Extension, Coffey County Extension Agents.

All grievances pertaining to participation/exhibition in the Youth Department X MUST be submitted in writing and given to an Extension agent before the conclusion of the respective show/exhibit/activity. The grievance will be addressed and resolution reached by a grievance committee immediately following the show and before the subsequent show/activity begins. The grievance committee shall be comprised of the Extension Agents, Respective Class Superintendent, Fair Board President or one appointed representative and two 4-H PDC Representatives.

1. Entries in this department cannot be entered in open class. Exhibitors may not enter the same item or animal in more than one class with the exception being “Coffey County Born” market/breeding classes. Exhibitors may make only one entry in each class, except that two per class in Livestock and Dairy or otherwise specified. 4-H livestock shown may be used in the Open Class “Lil Tykes” Showmanship classes. Otherwise youth exhibitors animals or projects may not be entered in a Youth Division Class and then again in the Open Class.

2. Any boy or girl between the ages of 7 and 18 years of age and a bona fide member or associate member of 4-H or FFA is eligible to enter contests or exhibits so designated in this department. Age is determined as of January 1, the current year. Entries shall be made in accordance with the 4-H project enrolled or FFA SAE proficiency designated and properly submitted to the Extension Office by designated deadlines each year, Members will not be allowed to show in classes for projects/proficiency areas which they are not properly enrolled/designated. All exhibits must be the bona fide property and handiwork of the exhibitor; the grower where agriculture exhibits are shown; and the owner and feeder where livestock is entered. Exhibits must be the result of the current year’s work. The rules shall be rigidly enforced to maintain the integrity of the program. Any issue regarding the showing/selling of an animal by the exhibitor/seller must be brought to the attention of the Fair Board no later than their June regular monthly meeting prior to the fair for resolve. Exhibitors who are found by the Fair Board to have left their livestock to the majority care of others, especially the care of professional feeders/groomers will be disqualified. Entries must be made, entered and exhibited by the owner.

3. In order to exhibit at Demonstration Day, the Fashion Revue, Clothing Construction, Fiber Arts, Cloverbuds or show ALL animals (beef, swine, sheep, goats, horses, poultry, cats, dogs, pets, or rabbits), at the Coffey County Fair, all animals to be exhibited MUST be pre-entered online before 5:00 p.m. on the Wednesday, June 28th pre-entry deadline. The online pre-entry must be completed to include information for your animal before it will be accepted by the Extension Office. The information as it is submitted in the pre-entry will be the official exhibit entry information and NO changes will be made at any time during official entry at the Coffey County Fair.

4. In order to exhibit in Department X of the Coffey County Fair all exhibits need to be pre-entered online by the entry deadline of Wednesday, July 12th. Late entries will be charged a $25 late fee per entry to exhibit.

May 2023
5. The Danish Award System of Judging will be used, and money awards made according to quality of exhibit. No award will be given if the judge decides the exhibit does not warrant it. Exhibitors will be awarded premiums according to the ribbon(s) they receive on their project(s). They will be paid by the Coffey County Fair Association as follows. Grand Champion - $6.00, Reserve Grand Champion - $5.50, Champion - $5.00, Reserve Champion - $4.50, Purple - $4.00, Blue - $3.50, Red - $3.00 and White - $2.50.

6. 4-H Indoor Exhibits must be dropped off between 8am-5pm Monday, July 17th or 8a-Noon on Tuesday, July 18th. Non-conference judged foods, horticulture, or crops exhibits must be dropped off between 8a-9am on Wednesday, July 19th. Conference judged foods, horticulture, or crops entries may be brought to your scheduled conference judging time. All livestock, poultry, and rabbits must be in the barns by 5pm, Wednesday, July 20th.

** All animals will be on exhibit from 9:00 a.m. to 9:00 p.m. Thursday-Saturday except for when being fed, watered, or groomed. No steers or heifers outside designated areas in sheep & goat barn during show day. EXCEPTION: On the night of Demolition Derby only, Beef exhibitors wishing to move their cattle out of the barns early may do so between 6:00 p.m. and 7:00 p.m. but MUST have them in place in tie out areas BEFORE the derby begins. No movement out of the barn will be allowed after the derby starts until its completion.

7. All cattle to be shown (beef, bucket calves, dairy) should be clipped prior to fair. NO adhesives or paint used for fitting livestock. All species of shows are “Blow and go shows.” All market lambs and goats MUST be slick shorn prior to weigh-in (not to exceed 1/4 inch for lambs and 3/8 inch for goats). Only Coffey County 4-H livestock leaders, FFA advisor, youth exhibitor’s immediate family member, and current Coffey County 4-H/FFA members also exhibiting in the youth division, may help with the grooming of livestock.

8. All youth livestock exhibitors must show their own animals except on the occasion they have more than one animal in the show ring for evaluation at the same time. Any individual showing another’s animals when permitted must be a current Coffey County 4-H / FFA member. In the event an exhibitor cannot show their own animal due to unforeseen circumstances such as sickness, health related issues or scheduling conflicts bring these matters to the species superintendent as soon as possible prior to competition so that acceptable alternative arrangements may be made. No youth may show an intact male of any species in the youth division.

9) a. During competition anytime while in the show ring, if an animal should become disruptive and obviously overcomes exhibitor’s control three times, the animal will promptly be dismissed from the show ring and any further competition. The dismissed animal will be awarded at minimum a white ribbon. If dismissal is during selection for class champion or grand Champion, the animal will retain their previously awarded status but will be immediately dismissed without further consideration.

   b. This rule will not apply to an exhibitor who loses control of their animal as a result of another’s uncontrolled animal or any other unforeseen outside influences.

   c. Regardless of dismissal from a confirmation evaluation, the animal will remain eligible to go through the premium sale as long as it is allowed to remain on the fairgrounds.

10) All Species breed “Divisions” listed will be determined at initial species weigh-ins. Any animal breed represented at initial species weigh-in will be recognized in the fairbook and shown in its specific breed class.

11) All species breeding animals will be shown by breed with breed classes split by age classes as listed.

12. All Livestock will be required to adhere to the most current KDAH “Requirements for Kansas County Fairs” Kansas Livestock General Health Requirements:

   “All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit”.

Livestock originating from other states should follow all KDA import requirements. The import requirement list is available by calling KDA at 785-296-2326 or at www.agriculture.ks.gov/divisions-programs/division-of-animal-health.

A CVI is not required for exhibit at the Coffey County Fair.
Species specific health requirements are listed under the respective species divisions.

13. All animal exhibitors (excluding large beef) are to provide their own approved bedding for their animal(s). The type of bedding must be approved by the species superintendent. Large Beef exhibitors will be charged a $15 stall fee to cover expenses for cedar fibers.

14. The top 3 animals in each class shall be recognized for award in all species. Judges need to designate the top 5 animals overall in both market and breeding divisions.

A mandatory Livestock Exhibitors’ and parents’ Meeting will be held Thursday, July 20 at 7:30 AM

4-H / FFA LIVESTOCK CHECK IN and WEIGH-IN

Wednesday, July 19, ALL livestock must be in the barn by 5p.m. You must check in all breeding and market animals with the weigh-in clerk.

Weigh-In will begin at 5:00 p.m. in the following order

BEEF / 2nd YEAR BUCKET CALVES, SHEEP / MEAT GOATS, SWINE

Each set of scales shall be checked for accuracy by members of the Fair Sale Committee prior to the start of each species weigh-in. To alleviate distractions and disruptions during the weigh-in process, the weigh-in scale area will be cordoned off to restrict access to only those reading scales and recording weights. All animals must be dry, clean and free of mud and debris with lambs being shorn having no more than 1/4” of fleece PRIOR to being weighed.

NO re-weighs will be allowed without approval of the weighing committee.

ROUND ROBIN SHOWMANSHIP CONTEST

1. A “Round Robin” showmanship contest will be used to determine the Champion and Reserve Champion overall showman in each age division.

2. Contest is divided into 3 age groups according to 4-H age: Junior, 7-9; Intermediate, 10-13; Senior, 14-18.

3. CHAMPION and RESERVE CHAMPION showmen receiving purple or blue ribbons in each age division of each livestock species will be designated as the "top and second qualifiers" eligible to participate in Round Robin.

4. Should an individual declared as a species showmanship CHAMPION qualify in more than one species, they shall specify their species of preference as the designated "top qualifier" for THAT species.

5. Upon creation of a vacant "top qualifier" for a species, the declared RESERVE CHAMPION showman of that species will be moved into that vacant position created and therefore become the "top qualifier" of the species. Then the subsequent third place, if a blue ribbon showman of that species, may be invited to participate as the "second qualifier" for that species.

6. Only the individuals ultimately designated as the "top qualifier" and "second qualifier" in a species will be allowed to use THEIR OWN animals in THAT SPECIES ONLY. Enough additional animals to allow each age division to compete as a group, may be selected at random and with owner permission by the Round Robin committee from each species barn. The remaining participants will draw for the additional animals to be used. However, following the draw, committee members may then reassign the "nonqualifiers" animals to avoid potential “animal advantages” due to family ownership or other previous association.

YOUTH LIVESTOCK AUCTION

1. Each 4-H/FFA member in good standing may sell two market animals of different species. If an animal is not shown in a conformation class in the youth division, it may not sell through the auction. Each
Livestock Sale participant and parent shall sign a “Coffey County Fair 4-H Livestock Premium Auction Agreement” form before they will be allowed to sell.

2. All animals must be dry, clean and free of excess mud and debris with lambs being shorn having no more than 1/4” of fleece PRIOR to being weighed.

3. Minimum weights at fair check-in to qualify for the sale are:

<table>
<thead>
<tr>
<th>Animal</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Beef</td>
<td>1000 lbs</td>
</tr>
<tr>
<td>2nd Yr Bucket Calves</td>
<td>1000 lbs</td>
</tr>
<tr>
<td>Sheep</td>
<td>95 lbs</td>
</tr>
<tr>
<td>Swine</td>
<td>220 lbs</td>
</tr>
<tr>
<td>Goats</td>
<td>50 lbs</td>
</tr>
</tbody>
</table>

Market animals not meeting the minimum sale weight designated for their species at county fair weigh in, will automatically be entered into and shown in a single “Lightweight / Prospect Class” for that species. Animals in this class WILL NOT be eligible to compete in neither the Coffey County Born market class or final drive for selection of respective specie’s Grand and Reserve Grand Champion market animal.

4. Youth Exhibitors must be the bona fide owner of the animals they sell through the 4-H Auction.

5. EVERY MARKET animal entered in the fair MUST have a “Destination Designation” card filled out for them. “Destination Designation” cards are to be turned into Extension staff no later than 1 hour after the conclusion of the respective species show. No changes to the “Destination Designation” cards will be accepted after 5pm. NO animal will be listed in the sale bill without a “Destination Designation” card being filled out! There will be poster size examples of the various ways these cards are to be filled out depending on what is to happen to the animal. These will be posted around the announcer stand area throughout the various shows.

6. Only changes to locker designation for a particular animal can be made to “Destination Designation” cards and must be finalized in writing and given to the designated individual within 30 minutes of the conclusion of the sale.

No changes will be made to the destination cards except for locker locations.

7. Sale Order will begin with the sale of the Grand Champion and Reserve Grand Champion of each species followed by Beef then Sheep or Goats, finishing with Swine. Sale order within specie will be according to show ribbon placings starting with blues, then reds, then whites

8. Exhibitors MUST sell their own animals in the livestock sale. Any issue regarding the showing/selling of an animal by the exhibitor/seller must be brought to the attention of the Fair Board prior to the fair for resolve.

9. Any animal sold through the premium sale MAY NOT be shown again in any other fair or exhibition.

10. Any complaint or dispute pertaining to the Youth Livestock Auction shall be given to the Fair Board Sale Committee which will be responsible for addressing and resolving issues of the auction.

11. The Coffey County Extension Council in cooperation with the Coffey County Fair Association recognizes participation in a 4-H project premium auction as a privilege for youth active in their community club and the 4-H program. Therefore a 4-Her MUST attend and participate in at least 6 Community Club Meetings held from the start of the 4-H year, October 1, until the July County Fair pre-registration deadline date designated by the Extension Office as a requirement to sell a project animal or item in the 4-H Livestock Premium Auction or any other project auction held in conjunction with the Coffey County Fair. Verification of attendance will be determined by the respective clubs Secretarial “Roll Call” attendance record of which a copy is to be turned in to the Extension Office no later than the designated County Fair pre-registration deadline. The submitted Secretary’s attendance record shall also contain an original signature of the respective club’s Community Leader of record verifying the report is accurate and correct. 4-Her’s not meeting the 6 meeting attendance requirement may still exhibit at the Coffey County fair for ribbon premium but will not be allowed to participate in any project auction held under the direction of the Coffey County Fair Association.

12. Open class exhibited animals are not allowed to be sold at the 4-H/FFA Premium Livestock Sale on Sunday.
1. In both market and breeding classes, breed “Composites” will be shown within either their own “base parent” breed or as a crossbred as designated and recorded at initial weigh-in i.e. “Maintainer” will be in the Maine Anjou class, Shorthorn Plus will be in the Shorthorn class etc.

2. The Kansas Department of Agriculture Division of Animal Health (KDAH) requires no tests on cattle and bison of Kansas origin. Cattle determined by exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to show.

3. In the interest of livestock exhibitor safety:
   a) In order to exhibit and compete for awards, all beef cattle MUST be halter broke to lead and demonstrate at all times throughout the entire duration of the fair, the ability to be safely controlled.
   b) Throughout the weigh-in process, ALL beef cattle MUST be reasonably controlled by the 4-H exhibitor. Family, 4-H member and weigh-in committee assistance is permissible and encouraged during this process. If an animal obviously cannot be safely controlled by the exhibitor with assistance and is posing a safety hazard for other exhibitors and the general public, it may be asked to leave the fairgrounds.
   c) During competition anytime while in the show ring, if a calf should become disruptive and obviously overcomes exhibitor’s control three times, the animal will be promptly dismissed from the show ring and any further competition. The dismissed animal will be awarded at minimum a white ribbon. If dismissal is during selection for class champion or grand Champion, the animal will retain their previously awarded status but will be immediately dismissed without further consideration. This rule will not apply to an exhibitor who loses control of their animal as a result of another’s calf becoming uncontrollable or any other unforeseen outside influences.

4. Regardless of dismissal from a confirmation evaluation, the animal will remain eligible to go through the premium sale. However, should the need arise later, that animal could be asked to leave the fairgrounds prior to the sale and not be allowed to sell if control and safety issues remain a concern. Determinations will be made by the combined consensus of Extension agent(s) present, the beef superintendent, and beef show committee member(s) selected by the beef show superintendent as posted.

5. Breed “Divisions” listed will be determined at initial species weigh-ins. Any breed represented at initial species weigh-in will be recognized in the fairbook and shown in its specific breed class at the county fair.

6. Breeding Beef will be shown by breed and split by age within the breed classes as listed.

7. On the night of Demolition Derby only, Beef exhibitors wishing to move their cattle out of the barns early may do so between 6:00 p.m. and 7:00 p.m. but MUST have them in place in tie out areas BEFORE the derby begins. No movement out of the barn will be allowed after the derby starts until its completion.

SECTION 1A - 4-H BUCKET CALF

The Bucket Calf project is intended to allow younger 4-H’er’s to participate in the Beef/ Dairy cattle projects in a safer manner with a smaller and/or more manageable animal. Main objective of this particular project and associated fair classes is to place the major competitive emphasis on the educational aspect and learning experience and de-emphasize the aspect of exhibiting.

Division A- First Year Bucket Calf

Division B- Second Year Bucket Calf

1. Division A- First Year Bucket Calf
   1a. Must be born after January 1st of the current year.
   1b. Must be tagged at the designated Coffey County tagging day.
   1c. Not eligible to sell in the premium livestock auction.

2. Division B- Second Year Bucket Calf
   2a. Same exhibitor must have shown calf the previous year at the county fair as a 4-H Bucket Calf.
   2b. Must be identified and weighed at the Coffey County Spring Beef Weigh-in.
   2c. Steers or Heifers to be sold as “market animals” only will be eligible to sell in the County Fair Premium Livestock Auction if they meet the market beef requirements to sell. (i.e. initial weigh-in, minimum weight.) Heifers sold thru the fair sale may not return in subsequent years as breeding animals.

3. 4-H members enrolled in the Bucket Calf project may show both a first and second year bucket calf in the same year. Calves designated as a “market animal” and meeting auction minimum weight shown in the second year bucket calf class may also be shown in the “Coffey County Born” Market Beef class, but not in any other beef section class.

4. Steers and Heifers entered in the bucket calf section will show together in their respective age divisions.

5. Exhibitors must be 7-12 years old to show in either division of the Bucket Calf Section. Minimum requirement for consideration of any bucket calf division award is that a live, properly tagged, ID’ed and entered bucket calf must be exhibited. In the case of calf death and inability to exhibit a live calf, an educational notebook may be entered as the exhibit. The 4-H’er may participate in the interview and testing process without consideration for the bucket calf exhibit award.

6. First and Second year Bucket calves should be evaluated and ribbons awarded based on the following criteria:
A) 40% Knowledge of project (i.e questions covering general health, care, feeding, costs, anatomy)
B) 20% Judges interview
C) 20% Showmanship and grooming of the calf.
D) 20% Quality and condition of the calf itself

Classes:
151. 7-8 year old exhibitor
152. 9-10 year old exhibitor

An inert substitution must be used instead of powder and “live” ammunition. The substitution must be clearly described on the back of the poster, display or in a notebook.
7. Name, county, age and year in project should be on the front of the poster, display or notebook.
8. Exhibits will not be accepted if they are related to reloads.
9. Displays will be judged on the following points:

<table>

<tr>
<th>Stopping Power</th>
<th>Interest Holding Power</th>
<th>4-H Project Application Power/Craftsmanship</th>
<th>Mechanical Growth</th>
<th>Educational Value</th>
<th>Total Points: 100</th>

Classes:
1226: Shooting Sports Educational Display-Must be directly related to the 4-H Shooting Sports Project (standard tri-fold boards only, no larger than 3’x4’).
1227: Shooting Sports Promotional Poster- Must promote 4-H Shooting Sports (Flat poster no larger than 22”x30”)
1228: Shooting Sports Target Exhibit; A – Archery; BB-BB Gun; AR- Air Rifle; SB- Small Bore Rifle (no KSF exhibit)
1229: Notebook – Contents pertain to some phase, results, story or information about 4-H Shooting Sports (no KSF exhibit)

**Division E- Forestry**
1. All Leaf exhibits are to be mounted on 8.5”x 11” heavy stock paper and placed on loose-leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2’x 3’.)
2. Name, club, age and year in the project should be on the front cover or in a prominent location.
3. Leaves should be identified with an appropriate label located near the leaf on the same page. Labels should include (1) proper common name as listed in 4-H Bulletin 334, “List of Native Kansas Trees”(2) Location (city and/or county where collected and (3) date (day, month, year) collected.
4. Intermediate Forester – Exhibit only in phase(s) enrolled.
5. Senior Forester enrolled in Self- Determined can exhibit in Self Determined Forestry at the State Fair.
6. Divide Specimens into the following two sections: Native Kansas Trees, and Non-Native Trees.
7. New Specimens are those specimens collected during the current 4-H year and cannot be duplicate tree species of previously displayed specimens.
8. Group specimens according to the years collected (ex. “old-previous years” and “new”).
9. Variations of varieties do not count as different species or specimens.
10. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the “old previous” section of the display.
11. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
12. In all leaf collections (Division A – Intermediate Forester), exhibit one complete leaf where possible. Where the leaf is too large, exhibit as much terminal portion as possible. Sketch in reduced scale the entire leaf to illustrate where the exhibited portion comes from. Note: A “leaflet” is incorrect when displayed as the complete leaf for the tree.
13. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

**Leaf Collections**

**Class 1230 Beginning** (Choose either A or B)
A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibits can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig and fruit from each species collected.

**Class 1231 Intermediate** (Choose either A or B)
A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibits can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.

**Class 1232 Senior** (choose either A or B)
A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibits can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 15 different native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.

**Class 1233 Advanced** (choose either A or B)
A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibits can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.

B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 10 new leaf, twig and fruit specimens.

**How a Tree Grows**

Class 1234: Display – Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study OR a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut OR exhibits an illustration of how a tree grows.

**Tree Appreciation**

Class 1235: Display – Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor’s selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell you about the tree you have selected.

Class 1236: Growing and Protecting Trees
Display requires a project notebook telling about the project and pictures before, during and after planting seedlings. Maximum tri-fold size is 3’x4’.

Class 1237: Tree Culture
Display – requires a project notebook showing your project work and includes pictures of before, during and after woodlot improvement. Maximum tri-fold size is 3’x4’.

Class 1238: How Forests Serve Us
Display- collected wood samples (all or partial) and 500 word essay. Wood sample display to be mounted on poster board or any stiff material no larger than 3’x 4’ tri-fold. Essay should be displayed in a covered binder.

Class 1239: Educational/ Creative Exhibit
Display- Exhibits must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3’x4’. This is a good class to exhibit an unusual collection.

**SECTION 13 – 4-H ENERGY MANAGEMENT**

1. Only those who have met the requirements of the Electric, Small Engines or Wind Energy projects are eligible to exhibit in this section.
2. An exhibitor may enter no more than one article in each class. Label each item giving the owner's name, address, name of article and class. A typewritten identification tag placed with masking tape or tied to the exhibit is preferred.
3. Items may be used, but if so, should be cleaned before exhibiting.
4. Sheet of operating instructions must be furnished for any exhibit not self-explanatory.
5. Electric projects must be operable using only 110 or 120 AC or battery power. Batteries must be supplied.
6. No hand dipped solder may be used on exhibits.
7. Each exhibit must have a scorecard (available at the Extension office) completed and securely attached.

**Division A- Electric/ Electronics**

Class 1301. AC Electric Projects. Electric Projects with only a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor and outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed and must be constructed such that the judges have access to examine the quality of workmanship.

Class 1302. DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects.
Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must work with batteries supplied by the 4-Her. Projects must be constructed so that the judges have access to examine the quality of wiring workmanship.

1303. **Electronic Projects.** Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instructions/assembly manual if from a kit. Include plans for an original project. Projects must be constructed so that the judges have access to examine the quality of wiring workmanship.

1304. **Educational Displays and Exhibits.** Projects which DO NOT have a power source, i.e. exhibits, posters, or displays of wire types, conduit types, electrical safety, tool or motor parts identification and exhibits must be legible from a distance of four feet.

**Division B – Small Engines**

Class

1305. Educational Display Board – a) engine parts and/or function b) engine overhaul tools & function
1306. Operations - Complete operable overhauled engine (less than 20 HP)
1307. Maintenance Display – Illustrates routine maintenance or troubleshooting specific problems

**Division C – Alternative Energy**

(A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves)

Class

1308. **Educational Display** – Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.
1309. **Experiment** – Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, control, data, findings, conclusions and recommendations for future study.

**SECTION 14 – 4-H ENTOMOLOGY**

**Special Rules**

1. A 4-H member may exhibit in the collection and/or educational class for the phase in which they are enrolled.
2. All entries are required to be placed in plexiglass covered, wooden boxes with outside measurements of 18”x24”x 3 ½”….. See specific phase for box and specimen number limitations. Boxes with glass covers will not be accepted.
3. Each exhibitor is required to identify each box by placing an identification label bearing the exhibitor's name and county and the class. One label goes in the upper left hand corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed length wise.
4. The number of orders, specimens, (and families where required) must be included on the exhibitor’s box identification label.
5. Arrangement of specimens: Preferred method is to arrange the insects in groups or rows parallel to the short sides of the box (illustration in 4-H 829.) (Arrangements that run lengthwise of the box are frequently downgraded in judging.) Specimens are to be arranged in a box according to Order. Begin with the more primitive orders first (Collembola) and follow the sequence used in “Insects in Kansas” (revised 2000).
6. For each collection class, two labels will be entered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label is a date/locality label.

**Educational Classes**

See KSF Book for official rules.

**Introductory Entomology**
Class 1401 – Not eligible for State Fair
Collection – Display should consist of at least 15 specimens and no more than 30 specimens, representing at least six orders of insects. Order labels are required and must be pinned to the bottom of the box, a date-locality label is required on each specimen. Members may exhibit the collection in two cigar boxes that have lids removed and each box covered with clear plastic wrap.

Beginning Entomology I

Class 1402
Collection - Display in one standard box a minimum of 50 and a maximum of 125 species representing at least 7 orders. Follow rules listed for all collections. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class for a maximum of 3 years.

Class 1403
Collection – Display in one standard box a minimum of 75 and a maximum of 150 species representing at least 9 orders. Follow general rules listed for all collections. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class for a maximum of 3 years.

Class 1404
Beginning Educational Exhibit

Intermediate Entomology

Class 1405
Collection – Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. All specimens should be grouped to order. Family identification is required for all insects in any two of the following six orders: orders of Orthoptera, Hemistera, Homopteran, Colleterial, Diptera, and/or Hymenoptera. Observe the number of families identified in these two orders must be recorded on the box identification labels. Families represent subdivisions of order grouping and family labels will be pinned to the bottom of the box to represent subdivisions of the appropriate order. Members can exhibit in this class for a maximum of 3 years.

Class 1406
Intermediate Educational Exhibit correct common name. List on the back of the box what you did this year to improve your project. Members may continue to exhibit in this class as long they remain eligible for 4-H.

Advanced Entomology

Class 1407
Collection - Display of a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Family identification is required for all insects belonging to the six basic orders outlined under the Intermediate phase. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. All butterflies appearing in the collection should be labeled with the

Class 1408
Advanced Educational Exhibit

Beekeeping

Class 1409  Beekeeping Educational Notebook or Display

Other Entomology

Class 1410
All other educational displays not included above.
SECTION 15 - 4-H FOOD NUTRITION

1. Read General Rules and June 4-H Newsletter.
2. A maximum of four exhibits per 4-H member may be entered in classes 1501, 1503, and 1505. Exhibitors may make one additional entry in educational exhibit classes 1502, 1504 and 1506; one additional entry in the food gift package class 1507, one additional entry in the recipe book class 1509, and one additional entry in specialty food class 1511. If a member exhibits in the Food Flop class, that exhibit is included in the four exhibit maximum.
3. Complete recipes with ingredients and instructions MUST be attached with the entry. Exhibits without recipes included will be lowered one ribbon placing.
4. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf.
5. For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. Cream Cheese), raw eggs, flavored oils, “canned” bread or bread cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) or unbaked exhibit with raw flour (ex. No bake cookies) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4-H488, Judge’s Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.
6. Alcohol (ex. Wine, beer and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
7. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit: 3 cookies, 3 muffins, 1 loaf of bread, etc.
8. Under baked entries will be lowered one or more ribbon placings.
9. All un-frosted cakes should be exhibited in an upright position with crust showing, except for those cakes made with special designs such as Bundt cakes. They should have the top crust side down.
10. Attach a label to the bottom of plate or cardboard with Class Number, Food Product Name, 4-H member’s Name, and County. Label templates are available at http://www.kansas4h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf or make your own with the following information: Class Number, Food Product Name, 4-H member’s Name, and County.
11. Any baked product that can be removed from the pan should be placed on a plate, covered cardboard or disposable container.
12. Exhibits should be in food grade plastic bags, disposable plastic containers or boxes. Only the exhibit is judged. The container is not judged.
13. The exhibitor is encouraged to attach a 3"x 5” index card to give the judge any information which the exhibitor thinks would be helpful for the judge to know.
14. Educational classes: Exhibits may be in the form of a poster, notebook or display.
15. Follow copyright laws as you are preparing your exhibit.

If the exhibit is a poster, it must not be larger than 22” x 28”.
If the exhibit is a display, the maximum size is a 3’x4’ tri-fold display board. Name and county must be clearly marked on educational exhibits.
NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit in this section.
16. One entry in the food gift package and specialty food in the Food Preparation Section.
17. A decorated food item must be a food item, not a decorated box. Decorated special event cakes will no longer be accepted for exhibit at the State Fair.
18. Dried foods are to be exhibited in the Food Preservation Division.
19. Taste of Coffey: Special entry for all Coffey County 4-H members. The Taste of Coffey County selection for this year is Whole Wheat.
Food & Nutrition Classes
Class 1501: For 7-9 year old exhibitors' non-perishable food products.
Class 1502: Educational exhibit prepared by 7-9 year olds.
Class 1503: For 10-13 year old exhibitors; a non-perishable food product.
Class 1504: Educational exhibit prepared by 10-13 year olds.
Class 1505: For 14-18 year old exhibitors; a non-perishable food product.
Class 1506: Educational exhibit prepared by 14-18 year olds.
Class 1507: Food Gift Package: No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the 4-H member in a suitable container, no larger than 18” x 18” x18”. Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of an entry card, answer these questions: 1) What is the intended use: 2) What food safety precautions were taken during and after preparation. This entry will count as a non-perishable food product, not as an educational exhibit. Home canned foods must follow Food Preservation rules. Canning jars should not be used for baking per manufacturer’s instructions. They could break during baking.
Class 1508: Food Flop Class (any food exhibit).
Class 1509: Recipe File in a notebook of your choosing. For each recipe: give name, ingredients and processes used. Tell how it was served. How long did it take and the cost and number of servings. Also give any special stories or memories associated with your recipe and how well you like it. Maximum for exhibit: 7-9 yrs old: 4 recipes; 10-13 yrs old: 7 recipes; 14-18 yrs old: 10 recipes. Current year work only. DOES NOT QUALIFY FOR STATE FAIR.
Class 1510: “Taste of Coffey” for 2023 will be Whole Wheat.
Class 1511: Modified non-perishable food product. Products must be modified from the original recipe to nutritionally enhance the food product. Attach one - 8 ½ X 11 inch page (front and back) that includes Original Recipe, Modified Recipe, and Narrative to describe modifications made, why modifications were made and lessons learned such as nutritive value, or changes in appearance, doneness, aroma, flavor, tenderness and/or texture. Example: a standard blueberry muffin recipe that is modified to make it gluten free. Suggested resources: http://www.extension.purdue.edu/extmedia/HHS/HHS-157-W.pdf
Class 1512: Bread Sculpture (individual or teams of 2-3)- Bread sculptures may be constructed from frozen yeast dough or a yeast dough made from scratch. Bread sculptures will not be tasted. Seeds, herbs and other edible toppings and icings may be used. Must submit a detailed recipe including shaping instructions with step by step photos or sketches. No size restrictions. For small sculptures, 6 should be entered (i.e. bunnies, turtles).
For examples and ideas, visit http://www.homebaking.org/PDF/doughsculpting101online.pdf or http://nationalfestivalofbreads.com/recipes/bread-shaping-0
Scoring for Bread Sculptures:
Creativity……………………………….30
Execution/Crisp Detail………………..25
Design/visual impact………………….25
Color palette/ color design…………..10
Instructions/illustrations……………10
NOTE: Eligible for entry at State Fair, but only in OPEN CLASS, not 4-H. Pre-enter by August 15.

SECTION 16 - 4-H FOOD PRESERVATION
1. Read General Rules and June 4-H Newsletter. Please read all the rules thoroughly!!! Food safety is of utmost importance in food preservation exhibits. Exhibits violating certain rules may be disqualified for food safety purposes.
2. All exhibits must have been preserved since the member’s previous year’s county fair.

May 2023
3. Recommended recipes and processing methods must be used. Recipes must be from 1995-present. Processing methods that will be disqualified include: open kettle canning, oven canning, and sun canning. **Homemade/untested recipes will be disqualified for food safety reasons.** Recommended recipe resources include:

- K-State Research and Extension Food Preservation publications
- Other University Extension Food Preservation publications
- USDA Complete Guide to Home Canning
- So Easy to Preserve, 6th edition, The University of Georgia Cooperative Extension Service
- Ball Blue Book Guide to Preserving, Edition 37
- Ball Complete Book of Home Preserving @2015 and @2020
- Canning mixes (i.e. Mrs. Wage’s, Ball)
- Pectin manufacturers (i.e. Sure-Jell, Ball)
- [http://www.rrc.k-state.edu/preservation/recipes.html](http://www.rrc.k-state.edu/preservation/recipes.html)
- Ball and Kerr

4. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and will not be judged.

5. Members may exhibit up to four entries. **At the Kansas State Fair, 4-H’s may only exhibit 2 items in each division, 1 item per class**

6. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication, and altitude where food was processed. If using Mrs. Wage’s or Ball mixes, indicate the date purchased.

7. Exhibits must be processed in clean, clear, standard canning jars, with matching brands (use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric cover wraps or cozies as they interfere with the judging process. No fancy packs unless the recipe states to do so (ex: Pickled asparagus)

8. Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe. (Example: Salsa is canned in pint jars only, not quarts)
Note: There are 12-ounce, 24 ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12 ounce jars. Use quart jar process recommendations for 24 ounce jars and 28-ounce jars.

9. Each jar exhibited must be labeled. The label must not cover the brand name of the jar. The label must give:
- Class Number, Product, Altitude where processed, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District.

10. Hole punch the entry card and use a rubber band to attach the entry card and recipe around the top of the jar.
11. If dried food product is not in a canning jar, it will be lowered on ribbon rating. Suggested amount: 1/3 – ½ cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in “Dry Meat Safely at Home” - MF3173.

**Food Preservation Classes**

- **Class 1601**: Sweet Spreads (fruits and/or vegetables), Syrups; One jar
- **Class 1602**: Fruits, Juice, Fruit mixtures (salsa, pie filling, etc.); One jar
- **Class 1603**: Low Acid Vegetables (green beans, corn, or vegetable mixtures); one jar
- **Class 1604**: Pickles, (fruit or vegetable) Relishes, Fermented foods and relishes and chutney; one jar
- **Class 1605**: Tomato/ Tomato Products (tomato juice and tomato salsas); one jar
- **Class 1606**: Meats, One jar
- **Class 1607**: Dried Foods: One small jar.

May 2023
SECTION 17 – 4-H GEOLOGY AND LAPIDARY

1. The standard size exhibit box should be 18” x 24” x 3 1/2”. Plexiglass covers are required. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18” across the top and 24” deep. If a box has a sliding plexiglass cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used.

2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the plexiglass cover (inside - use clear double-sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside.)

3. Exhibitors may enter in both geology and lapidary classes. Exhibitors may show in only one of the first four geology classes (1704, 1705, 1706, and 1707) Exhibitor may also show in the geology class 1708 (educational exhibit), 1709 Mineralogy and in one lapidary class.

4. Geology specimens should be labeled with the number of specimens, date collected, specimen name or description, and locality (county only) where collected.

5. For the geology classes (1704, 1705, 1706, and 1707), specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the phylum, classes and genus level. Genus name is to begin with a capital letter. Species names are all lower case. Genus and species names must either be italicized or underlined, not both. The words “phylum, class, genus” on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Artoculata Genus: Composita).

6. For geology classes 1704, 1705, 1706, 1707 and 1708, all specimens must be collected (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

(non KSF classes)

Class 1701 – Novice Class (7 years old) nine specimens three rocks, three minerals, and three fossils
Class 1702 – Novice Class (8-9 year olds) 12 specimens four rocks, four minerals, four fossils
Class 1703 – Novice Class – educational display relating to project work.

(KSF qualifying classes)

Class 1704 – Geology. Display at least 15 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year.
Class 1705 Geology. Display at least 30 different rocks, minerals, fossils, at least 5 of each. Fifteen must be collected during the 4-H year. Exhibitors are limited to one exhibit box. This class is open to those exhibiting either first or second time at the fair.
Class 1706 Geology. Display at least 45, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at the fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
Class 1707 Geology. Display at least 60 rocks, minerals, or fossils; at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
Class 1708 Geology Educational Exhibit. Exhibits relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock,
archaeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space. **Care should be taken to use durable materials that will withstand fair conditions.** Exhibitors may show in the class regardless of the number of times he or she has exhibited at the State Fair or whether the exhibitor has entries in classes 1704, 1705, 1706, 1707. Exhibitors may also exhibit in one lapidary class.

**Class 1709 Mineralogy.** Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: \( \text{CaCO}_3 \) for calcite) if known.

**Lapidary Classes**

The lapidary will be judged on the following criteria:
- Workmanship & Content…………60 points
- Presentation & Showmanship………30 points
- Accuracy of information…………10 points

All lapidary specimens should be labeled with the following information:
- Specimen name
- Place of origin (country, state, or county; county required for Kansas specimens)
- Purchased or self-collected
- Date lapidary treatment began
- Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen).

**Class 1710 Lapidary.** Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the State Fair for the first time may exhibit in this class.

**Class 1711 Lapidary.** Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-Her collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

**Class 1712 Lapidary.** Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-Her, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

**Class 1713 Lapidary.** Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-Her, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

**Class 1714 Lapidary.** Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing an end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings. Special lapidary exhibits should be entered in class 1708. Please note that each member is limited to one entry in this class.

**SECTION 18 – 4-H HOME ENVIRONMENT**

Articles may have been used, but if so, shall be carefully laundered or cleaned before being exhibited. Only articles to be judged may be included in the exhibit. All work for the current 4-H year.

A label containing name, address, county and class shall be typewritten on a 1x3 inch piece of white cotton tape and sewn to the article on the underneath side near a corner or edge. In case of furniture, etc. a paper label of the same size is to be pasted or tied to the exhibit. Each piece making up an exhibit must carry a label.

May 2023
All 4-H Home Environment exhibits should follow State Fair guidelines. See State Fair Exhibitor handbook for more information.

Division A – Home Environment

Class
1800. Single Exhibit: An article made or refinshed by the 4-H'er for the home. Must include attached summary. Summary = plans, how and why the item was made or refinshed, costs involved and how it fits into the color and design of the room.
1801. Poster or display: Boards must be on a foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc and / or floor plan for a room. Must include summary.
1802. Notebook - May include floor plans, swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. See state fair book for more details.

SECTION 19 – 4-H / FFA HORTICULTURE

A 4-H member is limited to a specified number of exhibits in each of the following classes. Except Classes 1904 thru 1907, 1910 & Class 1911 (two each) and Class 1914 (other) where exhibitors may enter three.

Classes:
1900. Garden Display
Each exhibitor in this class will be limited to four square feet of space. Exhibit consists of five different fresh vegetables. Canned vegetables are not acceptable. Only one variety of each type of vegetable may be exhibited. The number of five vegetables to be exhibited are as follows: Large vegetables (one each): Watermelon, Squash, Large Pumpkin, Eggplant, Cabbage, Cantaloupe, or similar size vegetable. Medium, Vegetables (five each): Cucumbers, Tomatoes, Carrots, Beets, Onions, Peppers, Parsnips, Okra, Irish Potatoes, Sweet Potatoes, Miniature pumpkins, Decorative Gourds, or similar size vegetables.
If small vegetables, such as green beans, waxed beans, English peas or other similar sized vegetables, a dozen is suggested for a good display. Shelled vegetables should not be exhibited.
Quality and condition of the exhibit will be considered. Choose vegetables for exhibits that will hold up well during the fair. Avoid overripe or over-mature specimens. Those that are slightly under ripe or slightly immature when picked may last longer. Helpful tips can be found in the following publications: Exhibiting Fruits and Vegetables (C-405) and Preparing Cut Flowers for Exhibit (4-H 826) available at the Extension Office.

Class
1901. Small vegetable specimen plate - (12/plate) Maximum of 4 total entries of one variety each in this class Ex. snap beans, wax beans, other small vegetable
1902. Medium vegetable specimen plate - (5/plate) Maximum of 10 total entries of one variety each in this class Ex. cucumbers, tomatoes, beets, onions, peppers, okra, radishes, turnips, potatoes, miniature pumpkins, decorative gourds, and other medium vegetables.
1903. Large vegetable specimen plate - (1/plate) Maximum of 6 total entries of one variety each in this class Ex. watermelon, summer squash, winter squash, large pumpkin, eggplant, cantaloupe, cabbage, and other large vegetables.
1904. Fresh Culinary herbs (6 stems in a disposable container of water) Dried herbs not accepted. Ex. parsley, basil, dill, etc
1905. Small Fruit (one half pint box) Ex. strawberries, raspberries, blackberries, and other similar sized fruit.
1906. Tree fruits (5/plate) Ex. apples, pears, peaches or other tree fruits.
1907. Grapes (plate of 2 bunches)
1908. Sunflower
1909. House plants, foliage or flowering
1910. Annual Garden Flower, cut specimen, single stem
1911. Perennial Garden Flower, cut specimen, single stem
1912. Fresh Flower arrangement. May not be purchased, must be grown by exhibitor
1913. Dried Flower arrangement, no fabric or plastic material allowed
1914. Other

SECTION 20 – 4-H PHOTOGRAPHY
1. Black and white prints and color photographic prints may be exhibited.
2. Each exhibitor will be limited to FOUR entries in classes 2001-2006 with not more than 2 entries per class. Additionally, each exhibitor may enter 1 digital composite and 1 portfolio.
3. Photographs/images entered must be the result of the current year’s project work by the 4-H member. Photos must be taken by the 4-H Member (exhibitor). Plagiarized works will be disqualified.
4. Remove white border from the photo print before mounting.
5. All photos must be no larger than 8” x 10” and not smaller than 7”x 9” after trimming.
6. Photos are to be mounted across the narrow (11”) dimension of an 11”x12.5” sheet of white or cream studio matte board. Mounting boards and protective bags may be purchased at the Extension Office.
7. Photos must be mounted with the top edge of the print 1” below the top of the mount (board is always oriented narrow side up-portrait style). The sides of the print must be equal distance from the two sides of the mount.

CENTER PHOTO

No set height - this space varies with size of photo

MOUNT

11”
8. A permanent mount must be made by using photographic adhesive. Using photographic/craft spray adhesives or hot mounting are the recommended mounting methods. Other methods including glue dots and glue sticks are acceptable, but may not give the best results. Double-sided tape and rubber cement are not acceptable adhesives.

9. No lettering, including dates, is permitted on the front of the mount or on the photo. No underlay or borders are to be used. No under lays or borders are to be used.

10. To protect exhibits from dust and moisture, it is recommended to place photos in a plastic bag (these are also available at the Extension Office). Important: these bags must be left open (unsealed) for the judging process!

11. On the back of the mount, write; the exhibitor’s name, photo class, location where the photograph was taken and the county name.

12. Improperly mounted photos, oversize or undersize photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon placing lower than the placing determined by the judge.

13. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.

14. Digital Composite Image: Finished photos must be created from two or more original images photographed by the exhibitor. HDR photos do not qualify for this class. A digital composite image is a result of two or more photographs being combined or laid on top of one another. This is NOT a "photoshopped" or "altered" image. If you have questions, contact Clarissa. Photos will be judged on photographic merit as well as manipulation technique and process. Ribbon placement will be determined by combining the score of each judging section.

15. The black and white class is for black and white prints only. Monochromatic Prints including sepia prints are considered color photos and must be entered in the appropriate color photo class. Black and white combined with an area of color are still classified as a color photo.

16. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the County or State Fair.

17. Photos with live subject(s) on railroad right away or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.

18. Copyright protections must be observed. Taking a photo of a registered trademark is not copyright infringement. However, a photograph of a copyrighted work of art such as a sculpture, or a photo taken by another person; is copyright infringement. See the following resource for more information on what is/is not copyright infringement.

https://www.extension.iastate.edu/4hfiles/StateFair/5FDocuments/5F1UseofCopyrightV1010401.pdf

19. Decisions as to display and/or penalize exhibits will be made by the Photography Superintendent and Extension staff.

**Classes:**

**2001** - Color photos taken by 4-H’er with 3 years or less in the project.

**2002** - Color photos taken by 4-H’er with 4-7 years in the project.

**2003** – Color photos taken with 8 or more years in the project.

**2004** – Black and white photos – taken by 4-H’er with 3 years or less in the project. (Black and white prints only).

**2005** - Black and white photos- taken by 4-H’er with 4-7 years in the project. (Black and white prints only).

**2006**- Black and white photos- taken by 4-H’er with 8 or more years in the project. (Black and white prints only).

**2007** – Digital Composite Image photos must be from two or more originals taken by the exhibitor. Exhibitors must include a second 11x12 ½ matte board (Explanation board) mounted with standard size prints of the original photo(s), 3x5 card (s) explaining what manipulation was done and a standard size print...
of the final photo. Optional, may include prints of editing steps. Photos showing editing steps may be
layered. Put name and county on the front of the second board. Explanation boards will be displayed along
with the finished board. Place both matte boards in the same two gallon plastic bag. (THIS DOES NOT
QUALIFY FOR STATE FAIR.)

Portfolios

2008—Growth Portfolio
1. Members must have been enrolled in a Photography project for five (5) years or more.
2. Exhibit will consist of 5 (five) photos - one from each of the past 5 years of enrollment. Each photo must
have been created in a different year and must be labeled with the year taken and which year of enrollment
it represents.
3. Photos must be 8” x 10” and may be color or black and white.
4. An information sheet must accompany each photo giving the brand and model of camera used to create
the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
5. Skill set used to create the photo must be given and explained. Main goal for each year should be listed.
6. Beginning with photo 2, member description of GROWTH in project skill must be included on the
information sheet.
7. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each
photo, and all information listed in #6 and #7. A portfolio book will be required.

2009-Career Portfolio
1. Members must have been enrolled in Photography for 5 (five) or more years OR members must be age
15 -19 and have been enrolled in photography for at least two (2) years.
2. Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following
photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism,
Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been
created over multiple project years.
3. Photos may be color except if Black and White option is chosen.
4. An information sheet must accompany each photo giving the brand and model of camera used to create
the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.
5. A one page summary should accompany the portfolio listing the goal for pursuing this area of
photography and what skills were learned while doing so. Mentors should be acknowledged. Career
exploration can also be described.
6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information
from #4 and #5.

Snapshot Series
A snapshot is a photograph that is "shot" spontaneously and quickly, most often without artistic or
journalistic intent. Put into a series, snapshot series is a display of multiple, similar photos displayed one
after another. Topics may include things, events, or people of a similar nature. The snapshot series should
include 4”x6” prints and be displayed on a standard 18”x 24” poster board. The number of pictures in the
series is determined by the exhibitor.
* Not eligible for State Fair competition.
2010 – Non-adjustable camera, exhibited by 4-Her 7-9 years old.
2011 – Non-adjustable camera, exhibited by 4-Her age 10- 13 years old.
2012 – Non-adjustable camera, exhibited by 4-Her 14-18 years old.
2013 – Semi-adjustable camera, exhibited by 4-Her age 7-9 years old.
2014 – Semi-adjustable camera, exhibited by 4-Her age 10-13 years old.

May 2023
2015 – Semi-adjustable camera, exhibited by 4-Her 14-18 years old.
2016 – Fully adjustable camera, exhibited by 4-Her age 7-9 years old.
2017 – Fully adjustable camera, exhibited by 4-Her age 10-13 years old.
2018 – Fully adjustable camera, exhibited by 4-Her 14-18 years old.
(Snapshot series - DOES NOT QUALIFY FOR STATE FAIR)

SECTION 21 – 4-H STEM Projects
Due to the complexity and detail of rules associated with the 4-H STEM projects, complete rules for these projects will not be printed in the Coffey County Fair fairbook. 4-Her’s entering exhibits for these projects in the Coffey County Fair, especially those with a goal of qualifying for State Fair competition, should go to the Kansas State Fair Kansas 4-H Exhibitor Handbook. A PDF of these complete rules and guidelines is posted on the Coffey County 4-H web page for the specific information to be followed pertaining to the various aspects of State Fair STEM exhibition.

4-H members must be currently enrolled in the particular 4-H STEM project to exhibit in classes assigned to each of the respective STEM Section divisions. Exhibits are limited to only one entry per class

Division A - Rocketry
Basic Rules.
1. An exhibitor may not enter two rockets in the same class.
2. The report that accompanies the rocket must be limited to the 4-H STEM Rocket Exhibit Information Form which is affixed to a 10” x 13” manila envelope. This envelope should NOT be attached to the rocket stand or rocket. This may be downloaded from www.STEM4KS.com. Any rocket exhibit not including this completed envelope will receive an automatic participation ribbon. Plans (or a photocopy) must be placed inside the envelope.
3. One or more photographs of the rocket at the launch site are required. Photographs must be mounted on one side of 8½” x 11” page(s). There must be at least 1 page of photos and no more than 5 pages of photos.
4. To exhibit in this division the rocket must have been flown.
5. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.
6. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s rocket, at the judges’ discretion, will receive a participation ribbon.

Rocketry Classes
Exhibitors 7-8 years old
2101 – Rocket made from kit - include plans.
2102 – Rocket designed by exhibitor not merely modification of an existing kit rocket- include original plans.

Exhibitors 9-13 years old
2103 – Rocket made from kit - include plans.
2104 – Rocket designed by exhibitor not merely modification of an existing kit rocket- include original plans.
2105 - Rocketry Educational Display i.e. Rocketry Notebook or Rocketry Poster Board

Exhibitors 14-18
2106 – Rocket made from kit - include plans.
2107 – Rocket designed by exhibitor not merely modification of an existing kit rocket- include original plans.
2108 – Rocket designed by exhibitor using alternative skins not merely modification of an existing kit rocket- include original plans.
2109 – High Power Rocket made from kit or original design – Contact Extension Office for special State 4-H requirements for high power rocket exhibits.

May 2023
2110 - Rocketry Educational Display i.e. Rocketry Notebook or Rocketry Poster Board

Exhibitors 11 and older

2111 – Rocket designed by 2 or more exhibitors, not merely modification of an existing kit rocket. Include original plans.

Division B – Robotics Basic Rules

1. Each exhibitor may enter one robot per class. Exhibits must have been constructed and/or completed during the current 4-H year. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.

2. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.

3. Each exhibitor is required to complete the “4-H SpaceTech Robotics Exhibit Information Form” which is available through the Extension office. This form must be attached to the outside of a 10” x 13” manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.

4. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5 minute CD, DVD, or video presentation, and robot programming information, if applicable.

5. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year.

6. Exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the robot, educational display, notebook, and/or poster board. Sources of scientific information must be cited on the front of your exhibits, including all posters and educational display boards.

7. Educational displays are not to exceed a standard commercial 3’ X 4’ tri-fold display board. No cardboard table exhibits will be allowed. Care should be taken to use durable materials that will withstand fair conditions. No electricity will be provided.

8. Educational posters must be no larger than 20” x 30”.

Robotics Classes

Junior 7-8 Years Old

2112- Robot made from a commercial (purchased) kit.
2113- Programmable robot made from a commercial (purchased) kit.
2114- Robot designed and constructed by exhibitor, and may be operated by a remote controlled device.
2115- Junk Drawer Robotics-based curriculum robot
2116- Robotics Educational Display - Robotics Educational Notebook or Robotics Educational Poster.
2117- Robotics Other Exhibit

Intermediate - 9-13 Years Old

2118- Robot made from a commercial (purchased) kit.
2119- Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
2120- Programmable robot made from a commercial (purchased) kit.
2121- Robot designed and constructed by an exhibitor that is operated by a remote controlled device.
2122- Junk Drawer Robotics-based curriculum robot.
2123- Robotics Educational Display - Robotics Educational Notebook or Robotics Educational Poster.

Senior 14-18 Years Old

2124- Robot made from a commercial (purchased) kit
2125- Robot designed by the exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
2126- Programmable robot made from a commercial (purchased) kit.
2127- Robot designed and constructed by an exhibitor that is operated by a remote controlled device.
2128- Junk Drawer Robotics-based curriculum robot.
2129- Robotics Educational Display - Robotics Educational Notebook or Robotics Educational Poster

Team Robotics Project

May 2023
Class 2130 - Robot designed and constructed by 2 or more 4-H STEM robotics project members which is eligible for the Team Robotics Challenge at the Kansas State Fair, if entered.

The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit.

Class 2131 – Team Educational Display, poster or notebook.

Division C – Astronomy

KSF Rules available in Kansas State Fair 4-H Exhibitor Handbook online.
2132: Telescope Made From Kit
2133: Telescope Made From Original Design
2134: Astronomy Educational Display

Division D – Computers

KSF Rules available in Kansas State Fair 4-H Exhibitor Handbook online.
1. All Exhibits must be:
   a. Self-contained on a small USB storage device that can be plugged into the USB drive and run the exhibit as described
   b. OR System-On-A-Chip or a Micro-Controller AND is compact, requiring minimal assembly and programming
2. All computer system entries must be accompanied by an exhibit packet and “4-H Engineer’s Journal”
2135: Computer program, application, app, script, or coded system that is new and unique
2136: Computer presentation ie power point, web page/site, animated graphics
2137: Computer Educational Poster/Display Board
2138: Computer Notebook
2139: Computer Other

Division E- Unmanned Aerial Systems

Division F– Ag Mechanics

Basic Rules
1. Exhibitor may enter one exhibit per class of work completed during current 4-H year
2. Each exhibitor is required to complete the “4-H STEM Ag Mechanics Information Form” available at [www.STEM4KS.com](http://www.STEM4KS.com). It should be attached to the outside of a 10”X13” manila envelope.
3. Each exhibit must include an Ag Mechanics information packet containing: Bill of materials for the project with associated costs; 1 to 5 pages of photos showing work on exhibit; appropriate schematics or working drawings; operating instructions if appropriate.
4. Each exhibit should be free standing or sufficiently supported. For State Fair eligibility, exhibit dimensions shall not exceed 3’ X 3’ X 3’ with total weight not exceeding 150 pounds.
5. Wheeled exhibits must utilize a breaking mechanism which prevents free rolling.
6. Exhibits with cutting surfaces i.e. blades and knives, are to have a protective covering to prevent injury yet easily removable for judging.
7. Exhibits that include weaponry of any kind will be disqualified.
8. Safety violations noted by judge or superintendent will receive a ribbon placement deduction OR a participation ribbon, at the judges discretion

Ag Mechanics Classes
Intro Level 1 – 1-3 years of experience
2146 – Welding Display Board – 3’X3’ display board with examples of welds on attached metal pieces, each labeled
2147 – Level 1 Welding Ag Repair
2148 – Level 1 Welding Ag Fabrication
2149- Level 1 Welding- General Repair
2150- Level 1 Welding- General Fabrication
2151 – Level 1 Welding Artistic fabrication
2152 – Level 1 Brazing repair
2153 – Level 1 Brazing fabrication
2154 – Smithing Display board - 3’X3’ display board with examples of forged metal forms attached, each labeled
2155 – Level 1 Smithing – A design forged with at least one form element (twists or spirals for example)

**Experienced Level 2 – 4-6 years of experience**

2156 – Level 2 Welding Ag Repair
2157 – Level 2 Welding Ag fabrication
2158- Level 2 Welding General Repair
2159- Level 2 Welding General Fabrication
2160 – Level 2 Welding Artistic fabrication
2161 – Level 2 Brazing repair
2162 – Level 2 Brazing fabrication
2163 – Level 2 Smithing – A design forged with at least two form element (twists or spirals for example)

**Experienced Level 3 – 7-9 years of experience**

2164 – Level 3 Welding Ag repair
2165– Level 3 Welding Ag fabrication
2166- Level 3 Welding General Repair
2167- Level 3 Welding General Fabrication
2168 – Level 3 Welding Artistic fabrication
2169 – Level 3 Brazing repair
2170 – Level 3 Brazing fabrication
2171 – Level 3 Smithing – A design forged with at least three forms element (twists, bulbs or spirals for example)

**Division F - Architectural Block Construction**

KSF Rules available in Kansas State Fair 4-H Exhibitor Handbook online.

2172 Junior (ages 7-8) Interlocking brick diorama built from scratch- no kits
2173 Intermediate (ages 9-13) Interlocking brick diorama built from scratch
2174 Senior (ages 14 and up) Advanced Interlocking brick diorama built from scratch

**SECTION 22**

**4-H VISUAL ARTS AND CRAFTS, 4-H HERITAGE ARTS AND 4-H FIBER ARTS**

Must be enrolled in a corresponding project to enter in any class. Entries by age group, juniors 7-9; intermediate 10-13, seniors 14 and over. Multi-piece items should be marked accordingly (i.e. 1 of 4, etc.)

All exhibits are entered at your own risk.

Entry Limit: Up to 6 total exhibits per 4-H member. No more than 3 entries per class.

At the Kansas State Fair, 4-H members are only allowed ONE item/entry from Visual Arts & Crafts. Art pieces at the state fair MUST have sawtooth or wire elements for hanging, no string or tape. Large items will not be accepted. Exhibits must be of manageable size and easily transported by one individual. **Coffey County may submit one entry per exhibitor and one entry from each of the five State Fair categories (Fine Arts, Clay, Leather/Jewelry, 3-D, General Craft)**

**Articles exhibited must be an original design created by the exhibitor. See copyright guidelines in the general rules section of the State Fair Book (Page 4).**
Division A- VISUAL ARTS & CRAFTS

Fine Arts: Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.
2200: 7-9 Year Old Exhibitors
2201: 10-13 Year Old Exhibitors
2202: 14-18 Year Old Exhibitors

Clay and Ceramics: Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.
2203: 7-9 Year Old Exhibitors
2204: 10-13 Year Old Exhibitors
2205: 14-18 Year Old Exhibitors

Leather and Jewelry: Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.
2206: 7-9 Year Old Exhibitors
2207: 10-13 Year Old Exhibitors
2208: 14-18 Year Old Exhibitors

Three Dimensional: The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.
2209: 7-9 Year Old Exhibitors
2210: 10-13 Year Old Exhibitors
2211: 14-18 Year Old Exhibitors

General Crafts: This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.
2212: 7-9 Year Old Exhibitors
2213: 10-13 Year Old Exhibitors
2214: 14-18 Year Old Exhibitors

Western Heritage (See Section 26)
*Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. If you create a replica of what you see somewhere else (i.e. Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.

Division B- FIBER ARTS

Judging will be on July 15, 2023 (see schedule) in conjunction with the Clothing Construction Judging at Kelly Hall. Pre-entry required.

1. Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving crochet, knitting, needlepoint) or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.
2. No exhibit will be released for any other use. Heritage Fiber arts exhibits cannot be used for any of the Family & Consumer Sciences Clothing Classes.

**SPORTSMANSHIP**

Conduct becoming an individual involving fair and honest competition, courteous relations, and graceful acceptance of results.

The development of sportsmanship is an important part of youth development. To become contributing, competent, caring, capable adults, youth must develop the knowledge, skills, attitudes and aspirations of sportsmanship.

Parents and supporters are asked to help their children develop sportsmanship by setting a good example, and demonstrating sportsmanship before, during and after competitive programs.

Examples of ways to help youth learn to be a fair and generous competitor, a good loser, and a graceful winner:

1) Teach youth sportsmanship. Require him/her to demonstrate sportsmanship before, during and following competitive activities.
2) Demonstrate and maintain high standards of personal behavior and conduct which become his/her as an individual and as a representative of your family, your club, your community and the program.
3) Learn and follow the rules.
4) Be objective.
5) Show integrity.
6) Be pleasant and nice toward other participants, spectators, program officials, judges, the media, supporters and others.
7) Accept the judge's suggestions and the results with a positive attitude.
8) Congratulate all the exhibitors.
9) Do not complain or make accusations about others unless you have hard proof and are willing to personally face the person being accused.
10) Thank leaders, program organizers, sponsors, judges and others.
11.) Applaud all exhibitors and groups. Express appreciation and admiration.
12.) Encourage youth to politely ask questions if they have them, express concerns they have, and make helpful suggestions to program officials and organizers.
13.) Enjoy the program and accept our appreciation for setting a good example.
