The 2020 Coffey County Fair is Dedicated to:

John Wayne
and Roberta Norman

Mr. and Mrs. Norman donated several hours to the exhibitors over the years as he served as the Horse Superintendent and was a member of the Coffey County Fair Association. Mrs. Norman served on the Coffey County Extension Board, was the past Stringtown Bombers 4-H Sewing Leader and until last year a repeated open class exhibitor. To recognize their commitment, this year’s fair will be dedicated in their honor.

The Coffey County Fair Association, Coffey County 4-H Program and FFA Chapters would like to take this
opportunity to remember Mr. and Mrs. Norman and express our condolences to their family.

Coffey County Fair Association meets daily during the fair (Thursday through Sunday) at 2 pm in the Fair Office.

Thank You...
The Coffey County Fair Association would like to express their appreciation to all volunteers and supporters of the Coffey County Fair. We especially thank the Coffey County Commissioners for their monetary help. The City of Burlington and employees provide extra efforts to prepare for the Fair. Thanks for the support of the livestock buyers and added premium donors. If you are exhibitors this year, please give those firms the benefit of your business whenever it is possible. Hope you enjoy the fair this year.

-Vickie Wolford, President

GENERAL RULES

NOTE: New rules for current year are highlighted in blue

1. Every animal or article on the grounds will be taken under the control of the association and every care will be taken for the safekeeping but, in no event shall the Coffey County Fair Association or its officers, Directors or members be held responsible for any loss or damage to the property or person or exhibitor or other persons while on the Fairgrounds (Kelley Park) whether said loss or damage shall arrive from accident or any cause whatsoever.

2. Entry cards may be picked up at Kelley Hall on entry day of the fair (Wednesday). The Open Class Entry Numbers will be assigned by the Open Class Coordinator in the Fair Office at Kelley Hall from 7:30 a.m. to 1 p.m. entry day. Indoor Entries in all Departments will close at 1 p.m. entry day. Youth Activities will close as shown in Department X.

3. Entries must be in their respective Exhibit Halls by 1 p.m. Wednesday with tags attached. Classes may be determined at the discretion of the superintendent.

4. Competition for Open Class Premiums is open only to Coffey County residents. Any article, which has won a first premium at this fair, is barred.

5. Limit of one entry per class per exhibitor, except where more are allowed under department rules.

6. All entries must be made by, grown by or fed by, the handiwork and the bona fide property of the exhibitor. Exhibits must be the result of current year’s work.

7. The Association will provide cash awards of $4.00 for 1st, $3.00 for 2nd, $2.00 for 3rd for each class in Open Class Departments, except Booths, which are noted. Open Class Education Boys and Girls, and Dogs, Cats, and Hand Pets will be awarded the same as Open Class, except all entries receiving 1st, 2nd or 3rd will receive a participation ribbon. Premium will be prorated in case of insufficient funds. Scouts’ division- does not receive premiums- ribbons only.

8. Premium checks are to be claimed Sunday evening at Kelley Hall for Open Class. 4-H Premium Checks will be given to club leaders Sunday and distributed to 4-Her’s at Fair clean-up Monday evening. All exhibits must be removed by 6 p.m. and any exhibits left on the grounds after 6 p.m. on closing day are left at the owner’s risk. Exhibits can be picked up at the Extension Office for 4-H and
contact Open Class Coordinator-Mary Lou Ponder for Open Class exhibits.

9. Fair management reserves the right to withhold premiums in every case in which it shall appear that the rules have not been complied with or that fraud or deception has been practiced or attempted. The Board of Directors reserves the sole, absolute and final right to determine arbitrarily any matters, questions and differences.

10. Judges’ decisions shall be final, subject to protest. In case of protest in Open Class Division, the Board of Directors will make the Award or appoint a committee to do so. All protests shall be made in writing to the Fair Office, within 24 hours following the occasion of the protest.

11. The Board of Directors’ meeting will convene in the Fair Office at 2:00 p.m. each day (Thursday through Sunday) of the Fair.

12. Kelley Park is owned by the City of Burlington and is governed by the Laws of the City and the Rules and Regulations of the Coffey County Fair Association during the time it is used for the fair.

13. The sale or possession of intoxicating drinks and gambling of any form is prohibited.

14. All exhibits competing for premium must remain in place and may not be removed before the official release time, as specified in the Fair schedule printed elsewhere in the Fair Book, without consent of the President or Secretary.

15. Barns, pens and space are the charge of Fair Management who will assign them to the best advantage of the Fair.

16. No Exhibitor or 4-H Club is allowed to sublet or sell any space, stall, pen, coop, or camping spot privilege without written permission from Fair management.

17. All 4-H and Open Class entries, including livestock, must be at fairgrounds from check-in time on entry day to release time on check-out day. Only horses, intact male livestock and lactating cows are allowed to come the day of show and leave the same day, due to facilities. All exhibitors (4-H and Open) must clean up their space.

18. When there are two or more entries in a class from one herd or flock or home, only one premium will be given, unless there is other competition, or in the opinion of the judge, a second premium should be given. Diseased animals and fowl will be barred. Animals with active lesions, ringworm, or multiple warts will not be permitted to show.

19. The Kansas Poultry Disease Act requires that all poultry, except waterfowl, going to public
exhibits show proof it is free from pullorum-typhoid diseases. A negative blood test will be required every year. A representative of the Kansas Poultry Association or the State Livestock Commissioner may inspect the poultry exhibits. EXEMPT for 2020 County Fair due to antigen on back order.

20. All livestock will be required to adhere to the most current Kansas Department of Animal Health “Requirements for Kansas County Fairs” Kansas General Health Requirements:

“All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by Exhibition Staff to have not met listed requirements will not be permitted to exhibit.”

Livestock originating from other states should follow all KDAH import requirements. The important requirement list is available by calling KDAH at (785) 296-2326 or at www.agriculture.ks.gov/divisions-programs/division-or-animal-health.

A CVI (Certificate of veterinary inspection) is not required for exhibit at the Coffey County Fair. 21. No hay or bedding is allowed in the Swine Barn. Feed pans need to be used to feed swine; hanging pans are encouraged. Do not feed them on the ground.

Feeding of hay in the Beef Pavilion is discouraged. Hay bags or show feed boxes are encouraged if hay is fed. Exhibitors are responsible for removing all hay from contaminating the cedar fiber bedding.

22. All animal exhibitors (excluding large beef) are to provide their own approved bedding for their animal(s). The type of bedding must be approved by the species superintendent. Poultry bedding MUST BE WHITE PINE wood shavings. Large Beef exhibitors will be charged a $10 stall fee to cover expenses for cedar fibers. 23. Open class exhibited animals are not allowed to be sold at the 4-H/FFA Premium Livestock Sale on Sunday.

DEPARTMENT A - HORSES 1. Base date for computing the age of horses shall be January 1 of the year it was born.

2. Kansas 4-H Horse Show Rules will be in effect. Class descriptions and guidelines can be found in the 4-H Horse Shows and Events Handbook available at the Extension Office.
3. Entries from out-of-county are welcome to show for ribbons only.
4. Horses must be pre-entered and properly filled out entry cards for classes submitted one hour prior to show time. NO EXCEPTIONS. Entry cards and show numbers will be available from the superintendent at the arena.
5. NO Stallions over one year of age allowed on the Show grounds.
6. Horses may be shown in only one halter class, except that mares and colts may be shown again together in Class #15.
7. All exhibitors should dress themselves in good working attire representative of that worn by horsemen and horsewomen in the respective classes. Long pants and long-sleeved shirt or blouse, western hat and western boots must be worn in western classes. NO CAPS. Gloves, ties, jackets, spurs and chaps are optional.
8. Entrants participate and horses entered at individuals’ own risk.

**Special Award Dave Redding Family**  
**Grand Champ $10 Res Champ $5**

1. It is highly recommended that Open Class Poultry be PRE-ENTERED by the deadline set forth by the Coffey County Extension Office on June 29th to arrange for adequate coop space. During the fair week all exhibits will be under the supervision of the superintendent and their assistants. The Fair Association will furnish uniform wire coops free of charge. Exhibitors are to provide their own bedding, feed and care for their birds for the duration of the fair. Bedding is to ONLY be WHITE PINE SHAVINGS and IS NOT to be stored in the barn at all. No feed is to be stored in the barn unless kept in a plastic tote-type container with a snug-fitting lid. The Fair Association will not be responsible for loss or accident to birds from any cause whatsoever.

2. All poultry **except waterfowl** exhibited must show proof that they are pullorum-typhoid clean by an approved method including presentation of VS form 9-2, VS Form 9-3 or being Pullorum Tested **prior to entry day of the Coffey County Fair**. **Pullorum testing will not be required for exhibition in the 2020 Coffey County Fair.** All birds to be exhibited must be in exhibitor’s possession by this designated **banding date**. Birds showing signs of disease the day of the show will be excluded from showing.
3. All exhibitors are responsible to clean cages, watering & feeding their birds at least daily.
4. All eggs laid during the week by birds on exhibition will be the property of the association and will be sold and the proceeds will be given to 4-H Council and earmarked for use for the Poultry Judging Team.
5. Birds entered as singles cannot compete for pen prizes, nor birds entered in pens for single prizes. A pen consists of two females and one male. If deemed necessary by the superintendent, up to three birds from the same flock may be placed in a coop.
6. All judging will be by comparison according to rules of the American Poultry Standard of Perfection. In case of only one entry in any class, second money will be paid unless the bird is worthy of first place. The term ‘cock’ and ‘hen’ applies to birds hatched prior to this year; ‘cockerel’ and ‘pullet’ to birds hatched during this year.

**Department K - Fruits & Honey**

The Superintendent and assistants will give you all the information you need and will place your
exhibits in the best possible manner; all exhibitors should follow these instructions in getting fruit ready for the fair.

Avoid, as much as possible, all specimens with blemishes of any kind. All blemishes lower the value of the exhibit. Do not remove the stem.

Select, as much as possible, specimens of bright color, large size, smooth clear skin and even shape. Handle with care so as to preserve from injury. A proper way to handle specimens is to separately wrap each specimen in paper.

Five specimens of large fruit and as many small fruits are necessary to make a respectable showing and will be required for each plate. Extra specimens should be brought to fill up the plate in case of injury to any others.

A separate lot must be shown in display. All fruits intended for premiums must be correctly named and labeled.

No exhibitor will be allowed to change any fruit after it has been received by the superintendent or assistant and placed.

Premiums will be paid on all varieties correctly named in each class. All specimens must be this year’s product.

DEPARTMENT X  
4-H/FFA- YOUTH ACTIVITIES
Be sure to read the General Rules beginning on page 12
Please note that not all Sections are eligible for 4-H and FFA Participation
NOTE: (Blue highlighted items denote changes/additions for the current year)

Due to the current pandemic (COVID), please make sure that you double check the KSRE website and/or KSRE Coffey Facebook page for schedules changes that may occur prior to the fair. 4-H members – make sure you check your email for updates regarding entries, drop offs and judging schedules. ALL SCHEDULES ARE SUBJECT TO CHANGE at short notice. Please bear with us during these uncertain times.

Rules and Guidelines in Department X – Youth Activities are set by K-State Research and Extension, Coffey County in compliance with Kansas 4-H Policy guidelines. K-State Research & Extension is the shortened name for Kansas State University Agricultural Experiment Station and Cooperative Extension Service. K-State Research & Extension Coffey County is committed to making its services, activities and programs accessible to all participants. If you have special requirements due to a physical, vision or hearing disability, contact Darl Henson at 620-364-5313. K-State Research & Extension is an equal opportunity provider and employer. All inquiries pertaining to the youth department should be directed to K-State Research & Extension, Coffey County Extension Agents.

All grievances pertaining to participation/exhibition in the Youth Department X MUST be submitted in writing and given to an Extension agent before the conclusion of the respective show/exhibit/activity. The grievance will be addressed and resolution reached by a grievance committee immediately following the show and before the subsequent show/activity begins. The grievance committee shall be comprised of the Extension Agents, Respective Class Superintendent, Fair Board President or one appointed representative and two 4-H PDC Representatives.

1. Entries in this department cannot be entered in open class. Exhibitors may not enter the same item or animal in more than one class with the exception being “Coffey County Born” market classes. Exhibitors may make only one entry in each class, except that two per class in Livestock and Dairy or
otherwise specified. 4-H livestock shown may be used in the Open Class “Lil Tykes” Showmanship classes. Otherwise youth exhibitors animals or projects may not be entered in a Youth Division Class and then again in the Open Class.

2. Any boy or girl between the ages of 7 and 18 years of age and a bona fide member or associate member of 4-H or FFA is eligible to enter contests or exhibits so designated in this department. Age is determined as of January 1, the current year. Entries shall be made in accordance with the 4-H project enrolled or FFA SAE proficiency designated and properly submitted to the Extension Office by designated deadlines each year, Members will not be allowed to show in classes for projects/proficiency areas which they are not properly enrolled / designated. All exhibits must be the bona fide property and handiwork of the exhibitor; the grower where agriculture exhibits are shown; and the owner and feeder where livestock is entered. Exhibits must be the result of the current year’s work. The rules shall be rigidly enforced to maintain the integrity of the program. Any issue regarding the showing/selling of an animal by the exhibitor/seller must be brought to the attention of the Fair Board no later than their June regular monthly meeting prior to the fair for resolve. Exhibitors who are found by the Fair Board to have left their livestock to the majority care of others, especially the care of professional feeders/groomers will be disqualified. Entries must be made, entered and exhibited by the owner.

3. In order to exhibit at Demonstration Day, the Fashion Revue, or show ALL animals (beef, swine, sheep, goats, horses, poultry, cats, dogs, pets, or rabbits) at the Coffey County Fair, all animals to be exhibited MUST be pre-entered online before 5:00 p.m. on the Monday, June 29th pre-entry deadline. The online pre-entry must be completed to include information for your animal before it will be accepted by the Extension Office. The information as it is submitted in the pre-entry will be the official exhibit entry information and NO changes will be made at any time during official entry at the Coffey County Fair.

4. In order to exhibit in Department X of the Coffey County Fair all exhibits need to be pre-entered online by the entry deadline of Monday, July 13th. Late entries will be charged a $25 late fee per entry to exhibit.

5. The Danish Award System of Judging will be used, and money awards made according to quality of exhibit. No award will be given if the judge
decides the exhibit does not warrant it. Exhibitors will be awarded premiums according to the ribbon(s) they receive on their project(s). They will be paid by the Coffey County Fair Association as follows.

Grand Champion - $6.00, Reserve Grand Champion - $5.50, Champion - $5.00, Reserve Champion - $4.50, Purple - $4.00, Blue - $3.50, Red - $3.00 and White - $2.50.

6. All exhibits are to be on the grounds, in place, by Noon Wednesday, labeled according to rules except for livestock which must be in the barns by 5:00pm.

7. All animals will be on exhibit from 9:00 a.m. to 9:00 p.m. Thursday-Saturday except for when being fed, watered, or groomed. No steers or heifers outside designated areas in sheep & goat barn during show day.

8. All livestock leaders, FFA advisor, youth exhibitor’s immediate family member, and current Coffey County 4-H/FFA members also exhibiting in the youth division, may help with the grooming of livestock.

9. All Livestock will be required to adhere to the most current KDAH “Requirements for Kansas County Fairs” Kansas Livestock General Health Requirements:

“All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit”.

6. All exhibits are to be on the grounds, in place, by Noon Wednesday, labeled according to rules except for livestock which must be in the barns by 5:00pm.

7. All animals will be on exhibit from 9:00 a.m. to 9:00 p.m. Thursday-Saturday except for when being fed, watered, or groomed. No steers or heifers outside designated areas in sheep & goat barn during show day.

8. All youth livestock exhibitors must show their own animals except on the occasion they have more than one animal in the show ring for evaluation at the same time. Any individual showing another’s animals when permitted must be a current Coffey County 4-H / FFA member. In the event an exhibitor cannot show their own animal due to unforeseen circumstances such as sickness, health related issues or scheduling conflicts bring these matters to the species superintendent as soon as possible prior to competition so that acceptable alternative arrangements may be made. No youth may show an intact male of any species in the youth division.

9. All Livestock will be required to adhere to the most current KDAH “Requirements for Kansas County Fairs” Kansas Livestock General Health Requirements:

“All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit”.
Livestock originating from other states should follow all KDAH import requirements. The import requirement list is available by calling KDAH at 785-296-2326 or at www.agriculture.ks.gov/divisions-programs/division-of-animal-health.

A CVI is not required for exhibit at the Coffey County Fair.

Species specific health requirements are listed under the respective species divisions.

10. All animal exhibitors (excluding large beef) are to provide their own approved bedding for their animal(s). The type of bedding must be approved by the species superintendent. Large Beef exhibitors will be charged a $10 stall fee to cover expenses for cedar fibers.

A mandatory Livestock Exhibitors’ and parents’ Meeting will be held Monday, July 20 following the group photo at 5pm.

4-H / FFA LIVESTOCK CHECK IN and WEIGH-IN

Wednesday, July 22, ALL livestock must be in the barn by 5p.m. You must check in all breeding and market animals with the weigh-in clerk.

Weigh-In will begin at 5:00 p.m. in the following order

BEEF / BUCKET CALVES, SHEEP / MEAT GOATS, SWINE

All animals must be dry, clean and free of mud and debris with lambs being shorn having no more than 1/4” of fleece PRIOR to being weighed.

NO re-weighs will be allowed without approval of weighing committee

ROUND ROBIN SHOWMANSHIP CONTEST

1. Contest is divided into 3 age groups according to 4-H age: Junior, 7-9; Intermediate, 10-13; Senior, 14-18.

2. A “Round Robin” showmanship contest will be used to determine the Champion and Reserve Champion overall showman in each age division.

3. Champion and Reserve Champion showmen receiving purple or blue ribbons, in each age division in Sheep, Horse, Beef, Swine, Meat Goats and Dairy Cow will be eligible to participate. Should an individual qualify in more than one specie they shall specify their preference. In such case, the subsequent third place blue ribbon recipient in the species with the created vacancy may be invited to participate.
4. Inclusion of a specie in the Round Robin contest will be dependent on the decision of qualifying individuals to participate or not. Species inclusion may vary from year to year.

5. Senior and Intermediates will show all qualifying species. Juniors will show their qualifying specie as well as select two other species to show.

**YOUTH LIVESTOCK AUCTION**

1. Each 4-H/FFA member in good standing may sell two market animals of different species. If an animal is not shown in a conformation class in the youth division, it may not sell through the auction. Each Livestock Sale participant and parent shall sign a “Coffey County Fair 4-H Livestock Premium Auction Agreement” form before they will be allowed to sell.

2. All animals must be dry, clean and free of excess mud and debris with lambs being shorn having no more than 1/4” of fleece PRIOR to being weighed.

3. Minimum weights at fair check-in to qualify for the sale are:
   - Beef: 1000 lbs
   - 2nd Yr Bucket Calves: 1000 lbs
   - Sheep: 95 lbs
   - Swine: 220 lbs
   - Goats: 50 lbs

4. Youth Exhibitors must be the bona fide owner of the animals they sell through the 4-H Auction.

5. **EVERY MARKET** animal entered in the fair MUST have a “Destination Designation” card filled out for them. “Destination Designation” cards are to be turned into Extension staff no later than 1 hour after the conclusion of the respective species show. No changes to the “Destination Designation” cards will be accepted after 5pm. NO animal will be listed in the sale bill without a “Destination Designation” card being filled out! There will be poster size examples of the various ways these cards are to be filled out depending on what is to happen to the animal. These will be posted around the announcer stand area throughout the various shows.

6. Only changes to locker designation for a particular animal can be made to “Destination Designation” cards and must be finalized in writing and given to the designated individual within 30 minutes of the conclusion of the sale. No changes will be made to the destination cards except for locker locations.

7. Sale Order will begin with the sale of the Grand Champion and Reserve Grand Champion of each
species followed by Beef then Sheep or Goats, finishing with Swine. Sale order within specie will be according to show ribbon placings starting with blues, then reds, then whites
8. Exhibitors MUST sell their own animals in the livestock sale. Any issue regarding the showing/selling of an animal by the exhibitor/seller must be brought to the attention of the Fair Board prior to the fair for resolve.
9. Any animal sold through the premium sale MAY NOT be shown again in any other fair or exhibition.
10. Any complaint or dispute pertaining to the Youth Livestock Auction shall be given to the Fair Board Sale Committee which will be responsible for addressing and resolving issues of the auction.
11. The Coffey County Extension Council in cooperation with the Coffey County Fair Association recognizes participation in a 4-H project premium auction as a privilege for youth active in their community club and the 4-H program. Therefore a 4-Her MUST attend and participate in at least 6 Community Club Meetings held from the start of the 4-H year, October 1, until the July County Fair pre-registration deadline date designated by the Extension Office as a requirement to sell a project animal or item in the 4-H Livestock Premium Auction or any other project auction held in conjunction with the Coffey County Fair. Verification of attendance will be determined by the respective clubs Secretarial “Roll Call” attendance record of which a copy is to be turned in to the Extension Office no later than the designated County Fair pre-registration deadline. The submitted Secretary’s attendance record shall also contain an original signature of the respective club’s Community Leader of record verifying the report is accurate and correct. 4-Her’s not meeting the 6 meeting attendance requirement may still exhibit at the Coffey County fair for ribbon premium but will not be allowed to participate in any project auction held under the direction of the Coffey County Fair Association.
12. Open class exhibited animals are not allowed to be sold at the 4-H/FFA Premium Livestock Sale on Sunday.

   a) In order to exhibit and compete for awards, all beef cattle MUST be halter broke to lead and demonstrate at all times throughout the entire duration of the fair, the ability to be safely controlled.
   b) Throughout the weigh-in process, ALL beef cattle MUST be reasonably controlled by the 4-H exhibitor. Family, 4-H member and weigh-in committee help is permissible and encouraged during this process. If an animal obviously cannot be safely controlled by the exhibitor with assistance and is posing a safety hazard for other exhibitors and the general public, it may be asked to leave the fairgrounds.
   c) During competition anytime while in the show ring, if a calf should become disruptive and obviously overcomes exhibitor’s control three times, the animal will be promptly dismissed from the show ring and any further competition. The dismissed animal will be awarded at minimum a white ribbon. If dismissal is during selection for class champion or grand Champion, the animal will retain their previously awarded status but will be immediately dismissed without further consideration. This rule will not apply to an exhibitor who loses control of their animal as a result of another’s calf becoming uncontrollable or any other unforeseen outside influences.

4) Regardless of dismissal from a confirmation evaluation, the animal will remain eligible to go through the premium sale. However, should the need arise later, that animal could be asked to leave the fairgrounds prior to the sale and not be allowed.
to sell if control and safety issues remain a concern. Determinations will be made by the combined consensus of Extension agent(s) present, the beef superintendent, and beef show committee member(s) selected by the beef show superintendent as posted.

5) Breed “Divisions” listed will be determined at initial species weigh-ins. Only breeds in which at least 3 separate individuals have pre-entered animals will be designated as a division for entry and awards.

6) Breeding Beef will be shown by age classes as listed. There will be no class splits by breed unless a division for that particular breed was previously established at initial check in and listed in the fairbook.

**SECTION 11 – 4-H / FFA CROPS**

**Division A- Corn**
(10 ear exhibit, variety must be named)

- Class 1101. - White
- Class 1102. - Yellow
- Class 1103. - Popcorn
- Class 1104 - Corn Grain: Exhibit to consist of one gallon sample of seed

**Division B- Sorghum**
(10 head exhibit, variety must be named)
Class
1105. Hybrid Grain Sorghum
1106. Other Grain sorghum varieties
1107. Hybrid Forage Sorghum – entire plant, no roots
1108. Other varieties of Forage Sorghum- entire plants, no roots.

Division C- Wheat
(one gallon sample)

Class
1109. Soft red winter wheat. Variety or hybrid must be named.
1110- Hard red winter wheat. Variety or hybrid must be named.
1111- Hard white wheat. Variety or hybrid must be named.

Division D - Other Crops
1112- Oats: Exhibit to consist of one gallon sample. Variety must be named.
1113- Barley: Exhibit to consist of one gallon sample. Variety must be named.
1114- Alfalfa Seed: Exhibit to consist of one gallon sample. Variety must be named.
1115- Alfalfa Hay: Exhibit to consist of one flake or slice from a rectangular bale, or a 10 inch section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in two directions. Variety must be named.
1116- Native Grass Hay: 10 inch flake or slice, six inches thick and tied in two directions. Variety must be named.
1117- Cool Season Grass Hay: 10 inch flake or slice, six inches thick and tied in two directions. Variety must be named.
1118- Brome Grass Seed: Exhibit to consist of one gallon sample of seed
1119- Other Tame Grasses Seed: Exhibit to consist of one gallon sample of seed.
1120 – Soybeans Grain: Exhibit to consist of one gallon sample of seed from the most recent harvest. Variety must be named.
1121 – Soybeans: Bundle of five plants from the most recent harvest. Variety must be named.
1122- Miscellaneous Crops: Exhibit to consist of one gallon jar of seed or 10 heads produced from a current year project. Variety must be named

Division E - Sunflowers
1123- Confectionary heads: 3 heads must be submitted.
1124- Confectionary seeds in a jar: 1 gallon must be submitted.
1125- Oil seed heads: 3 heads must be submitted.
Oil seeds in a jar: 1 gallon jars must be submitted.

Note: All classes calling for a gallon sample, wheat, oats, barley, corn, alfalfa, brome grass, soybean or edible field bean, may have a 2½ - 3 inch diameter cylinder placed in a glass gallon container to reduce the amount of grain to about 3 quarts.

SECTION 12- 4-H EDUCATIONAL OR INFORMATIONAL

3. Exhibited material should be grown or made by club members from the current 4-H year.
4. Items must be labeled.
5. Booths should be card table size.
6. All banners must have “S” hooks at the top (one at each end) for hanging.
8. Banner dimensions are to be no less than 12 and no more than 16 square feet, with no sides less than 3 feet.
9. A label is to be attached to the front lower left-hand corner (as you face it) of the banner giving the name of the club, county and year. Letters should be 2” in height
10. Avoid using copyrighted materials.

Scoring Breakdown: General Appearance and Attractiveness (20 pts); Initiative and Originality (20 pts); Quality of display material (20 pts); Educational Value (40 pts); Total (100 points).

Booth and Banner Classes:
Class 1207: Club Booth
Class 1208: Club Banner
Class 1209: Other Booth/Banner

Division C- Miscellaneous Educational Exhibits
Exhibits may include notebooks or tri-fold displays not exceeding 3’x4’ in size. One entry per class, unless otherwise noted. These exhibits may only be exhibited in other divisions that have special classes for displays and notebooks such as foods and shooting sports. For more information, check the Kansas State Fair handbook or the Extension office.
Exhibits will be judged on content, organization, appearance/craftsmanship, spelling/grammar, and creativity. Notebooks should include: introductory page with 4-Her’s basic information and information about the project/experience being documented. Other items to include: pictures with captions, journal entries, handouts or brochures, or anything else relevant to the exhibit. Points to emphasize in the exhibit: learning goals and objectives, why the project was relevant to the 4-Her, and pictures or other means of documenting the experience.

KAP notebooks are not eligible. Conference judging is optional for classes 1215-1223. Classes 1210-1214 are not eligible to be conference judged. If a 4-Her wishes to conference judge, he may sign up for a time Wednesday morning as he sets up his display. Conference judging will begin at 8:00am Wednesday.

Classes:
1210. Secretary’s book
1211. Treasurer’s book
1212. Reporter’s book
1213. Historian book
1214. Junior Leader Book
1215. Citizenship

Division D - Shooting Sports
1. A member may make only one entry in this division.
2. Exhibits in this division are open to educational displays or promotional posters. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials to withstand State Fair conditions. Entries will prominently incorporate the 4-H Clover with KSRE branding and should include the Kansas 4-H Shooting Sports emblem. Failure to do so will penalize entry one ribbon color at the Kansas State Fair.
3. Shooting Sports Educational Display (must be directly related to the 4-H Shooting Sports Project.) Must be the standard tri-fold size: 3’ wide and 4’
tall. Failure to follow size limitations will penalize entry one ribbon color.

4. Shooting Sports Promotional Posters (must promote 4-H Shooting Sports project). Must be flat and no larger than 22”x 30”. Content should not exceed display borders. Failure to follow size limitations will penalize entry one ribbon color.

5. Notebooks should be in an 8 ½ x 11 inch 3 ring binder.

6. Exhibitors must comply with state and federal laws and fair policies. No “live” ammunition containing propellant or explosive powders may be used in any display! An inert substitution must be used instead of powder and “live” ammunition. The substitution must be clearly described on the back of the poster, display or in a notebook.

7. Name, county, age and year in project should be on the front of the poster, display or notebook.

8. Exhibits will not be accepted if they are related to reloads.

9. Displays will be judged on the following points:
   - Stopping Power (15)
   - Interest Holding Power (15)
   - 4-H project Application (15)
   - Mechanical Power/Craftsmanship (5)
   - Personal Growth (25)
   - Educational Value (25)
   - Total Points: 100

Posters will be judged on the following points:
   - Stopping Power (30)
   - Interest, Holding Power (30)
   - 4-H Project application (25)
   - Mechanical power/Craftsmanship (15)
   - Total (100)

Classes:
1224: Shooting Sports Educational Display-Must be directly related to the 4-H Shooting Sports Project (standard tri-fold boards only, no larger than 3’x4’).
1225: Shooting Sports Promotional Poster- Must promote 4-H Shooting Sports (Flat poster no larger than 22”x30”)
1226: Shooting Sports Target Exhibit; A – Archery; BB-BB Gun; AR- Air Rifle; SB- Small Bore Rifle (no KSF exhibit)
1227: Notebook – Contents pertain to some phase, results, story or information about 4-H Shooting Sports

Division E- Forestry
1. All Leaf exhibits are to be mounted on 8.5”x 11” heavy stock paper and placed on loose-leaf binders.
(Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2’x 3’).

2. Name, club, age and year in project should be on the front cover or in a prominent location.

3. Leaves should be identified with an appropriate label located near the leaf on the same page. Labels should include (1) proper common name as listed in 4-H Bulletin 334, “List of Native Kansas Trees” (2) Location (city and/or county where collected and (3) date (day, month, year) collected.

4. Intermediate Forester – Exhibit only in phase(s) enrolled.

5. Senior Forester enrolled in Self-Determined can exhibit in Self-Determined Forestry at the State Fair.

6. Divide Specimens into the following two sections: Native Kansas Trees, and Non-Native Trees.

7. New Specimens are those specimens collected during the current 4-H year and cannot be duplicate tree species of previously displayed specimens.

8. Group specimens according to the years collected (ex. “old-previous years” and “new”).

9. Variations of varieties do not count as different species or specimens.

10. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the “old previous” section of the display.

11. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.

12. In all leaf collections (Division A – Intermediate Forester), exhibit one complete leaf where possible. Where the leaf is too large, exhibit as much terminal portion as possible. Sketch in reduced scale the entire leaf to illustrate where the exhibited portion comes from. Note: A “leaflet” is incorrect when displayed as the complete leaf for the tree.

13. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

Leaf Collections

Class 1228 Beginning (Choose either A or B)

A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of lead specimens collected from native Kansas trees.
B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig and fruit from each species collected.

**Class 1229 Intermediate** (Choose either A or B)
A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.

**Class 1230 Senior** (choose either A or B)
A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 15 different native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 5 new leaf, twig and fruit specimens.

**Class 1231 Advanced** (choose either A or B)
A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig and fruit from each species collected. This exhibit must include 10 new leaf, twig and fruit specimens.

**How a Tree Grows**

**Class 1232:** Display – Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study OR a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut OR exhibits an illustration of how a tree grows.

**Tree Appreciation**

**Class 1233:** Display – Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor’s selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell you about the tree you have selected.

**Class 1234:** Growing and Protecting Trees
Display- requires a project notebook telling about project and pictures before, during and after planting seedlings. Maximum tri-fold size is 3’x4’.
Class 1235: Tree Culture
Display – requires a project notebook showing your project work and includes pictures of before, during and after woodlot improvement. Maximum tri-fold size is 3’x4’.

Class 1236: How Forests Serve Us
Display-collected wood samples (all or partial) and 500 word essay. Wood sample display to be mounted on poster board or any stiff material no larger than 3’x 4’ tri-fold. Essay should be displayed in a covered binder.

Class 1237: Educational/ Creative Exhibit
Display- Exhibits must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3’x4’. This is a good class to exhibit an unusual collection.

SECTION 13 – 4-H ENERGY MANAGEMENT
1. Only those who have met the requirements of the Electric, Small Engines or Wind Energy projects are eligible to exhibit in this section.
2. An exhibitor may enter no more than one article in each class. Label each item giving owner’s name, address, name of article and class. A typewritten identification tag placed with masking tape or tied to the exhibit is preferred.
3. Items may be used, but if so, should be cleaned before exhibiting.
4. Sheet of operating instructions must be furnished for any exhibit not self-explanatory.
5. Electric projects must be operable using only 110 or 120 AC or battery power. Batteries must be supplied.
6. No hand dipped solder may be used on exhibits.
7. Each exhibit must have a scorecard (available at the Extension office) completed and securely attached.

Division A- Electric/ Electronics
Class 1301. AC Electric Projects. Electric Projects with only a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor and outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed and
must be constructed such that the judges have access to examine the quality of workmanship.

1302. DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must work with batteries supplied by the 4-Her. Projects must be constructed so that the judges have access to examine the quality of wiring workmanship.

1303. Electronic Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instructions/assembly manual if from a kit. Include plans for an original project. Projects must be constructed so that the judges have access to examine the quality of wiring workmanship.

1304. Educational Displays and Exhibits. Projects which DO NOT have a power source, i.e. exhibits, posters, or displays of wire types, conduit types, electrical safety, tool or motor parts identification and exhibits must be legible from a distance of four feet.

Division B – Small Engines

Class 1305. Educational Display Board – a) engine parts and/or function b) engine overhaul tools & function
1306. Operations - Complete operable overhauled engine (less than 20 HP)
1307. Maintenance Display – Illustrates routine maintenance or troubleshooting specific problems

Division C – Alternative Energy

(A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves)

Class 1308. Educational Display – Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.
1309. Experiment – Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, control, data, findings, conclusions and recommendations for future study.
SECTION 14 – 4-H ENTOMOLOGY

Special Rules

1. A 4-H member may exhibit in the collection and/or educational class for the phase in which they are enrolled.

2. All entries are required to be placed in plexiglass covered, wooden boxes with outside measurements of 18”x24”x 3 ½”….. See specific phase for box and specimen number limitations. Boxes with glass covers will not be accepted.

3. Each exhibitor is required to identify each box by placing an identification label bearing exhibitor’s name and county and the class. One label goes in the upper left hand corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed length wise.

4. The number of orders, specimens, (and families where required) must be included on the exhibitor’s box identification label.

5. Arrangement of specimens: Preferred method is to arrange the insects in groups or rows parallel to the short sides of the box (illustration in 4-H 829.) (Arrangements that run lengthwise of the box are frequently downgraded in judging.) Specimens are to be arranged in a box according to Order. Begin with the more primitive orders first (Collembola) and follow the sequence used in “Insects in Kansas” (revised 2000).

6. For each collection class, two labels will be entered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label is a date/locality label.

Educational Classes

Educational displays are to be exhibited in one standard size insect box and identified by use of an identification label as discussed above. It is to include the exhibitor’s name, county, and class. Information on numbers and kinds of insects is not needed for educational exhibits. Displays may consist of specialized groups of insects, or relate to any aspect of insect life. Displays should be presented in a clear, concise, and interesting manner.

1. Educational classes are limited to one standard box and a maximum of 150 specimens, and work performed during the current year. Title of the exhibit should be indicated inside the box.

2. Purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity,
etc. of insects and related arthropods. Subject matter can be varied as the animals themselves.

**Introductory Entomology**

Class 1401 – Not eligible for State Fair

Collection – Display should consist of at least 15 specimens and no more than 30 specimens, representing at least six orders of insects. Order labels are required and must be pinned to the bottom of the box, a date-locality label is required on each specimen.

Members may exhibit the collection in two cigar boxes that have lids removed and each box covered with clear plastic wrap.

**Beginning Entomology I**

Class 1402

Collection - Display in one standard box a minimum of 50 and a maximum of 125 species representing at least 7 orders. Follow rules listed for all collections. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of 3 years.

Class 1403

Collection – Display in one standard box a minimum of 75 and a maximum of 150 species representing at least 9 orders. Follow general rules listed for all collections. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of 3 years.

Class 1404

Beginning Educational Exhibit

**Intermediate Entomology**

Class 1405

Collection – Display a minimum of 100 and a maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. All specimens should be grouped to order. Family identification is required for all insects in any two of the following six orders: orders of Orthoptera, Hemistera, Homopteran, Colleterial, Diptera, and/or Hymenoptera. Observe the number of families identified in these two orders must be recorded on the box identification labels. Families represent subdivisions of order grouping and family labels will be pinned to the bottom of the box to represent subdivisions of the appropriate order. Members can exhibit in this class maximum of 3 years.
Class 1406
Intermediate Educational Exhibit correct common name. List on the back of the box what you did this year to improve your project. Members may continue to exhibit in this class as long they remain eligible for 4-H.

Advanced Entomology
Class 1407
Collection - Display of a minimum of 150 and a maximum of 450 insects representing at least 12 orders. Three standard boxes can be used. Family identification is required for all insects belonging to the six basic orders outlined under the Intermediate phase. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. All butterflies appearing in the collection should be labeled with the

Class 1408
Advanced Educational Exhibit

SECTION 15 - 4-H FOOD NUTRITION
1. Read General Rules and June 4-H Newsletter.
2. A maximum of four exhibits per 4-H member may be entered in the Food Nutrition division plus one entry in the educational exhibit, one entry in food gift package and specialty food in the Food Nutrition section. If a member exhibits in the Food Flop class, that exhibit is included in the four exhibit maximum. Complete recipes with ingredients and instructions MUST be attached with the entry. Course should appear with the recipe. Exhibits without recipes included will be lowered one ribbon placing.
3. For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. Cream Cheese), raw eggs, flavored oils, “canned” bread or bread cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) will not be accepted. Refer to K-State Research and Extension publication, 4-H888, Judge’s Guide for Food and Nutrition Exhibits, for information to help you make informed, safe food exhibit decisions.
4. Alcohol (ex. Wine, beer and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not be judged.
5. All baked goods must be left whole and...
Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit: 3 cookies, 3 muffins, 1 loaf of bread, etc.

6. Under baked entries will be lowered one or more ribbon placings.

7. All unfrosted cakes should be exhibited in an upright position with crust showing, except for those cakes made with special designs such as Bundt cakes. They should have the top crust side down.

8. Attach gummed label to bottom of plate with Class Number, Food Product Name, 4-H member’s Name, and County. Label templates are available at http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/foods-and-nutrition/Foods_Label.pdf or make your own with the following information: Class Number, Food Product Name, 4-H member’s Name, and County.

9. Any baked product that can be removed from the pan should be placed on a plate, covered cardboard or disposable container.

10. Exhibits should be in food grade plastic bags, disposable plastic containers or boxes. Only the exhibit is judged. The container is not judged.

11. The exhibitor is encouraged to attach a 3’x5” index card to give the judge any information which the exhibitor thinks would be helpful for the judge to know.

12. Educational classes: Exhibits may be in the form of a poster, notebook or display.

13. Follow copyright laws as you are preparing your exhibit. If the exhibit is a poster, it must not be larger than 22” x 28”.

If the exhibit is a display, the maximum size is a 3’x4’ tri-fold display board. Name and county must be clearly marked on educational exhibits. NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit in this section.

14. One entry in the food gift package and specialty food in the Food Preparation Section.

15. A decorated food item must be a food item, not a decorated box. Decorated special event cakes will no longer be accepted for exhibit at the State Fair.
16. Dried foods are to be exhibited in the Food Preservation Division.
17. Judging will take place entry day via conference judging.
18. Each club will make a display of their exhibits. Exhibit materials should not block view of exhibits space for security purposes. Theme: “Find your Adventure at the Coffey County Fair”. Food judges will judge the tables. Each club’s table must have an entry card with the exhibit in order to receive a premium!
19. Taste of Coffey: Special entry for all Coffey County 4-H members. The Taste of Coffey County selection for this year is sorghum.

Food & Nutrition Classes
Class 1501: For 7-9 year old exhibitors’ non-perishable food product.
Class 1502: Educational exhibit prepared by 7-9 year olds.
Class 1503: For 10-13 year old exhibitors; a non-perishable food product.
Class 1504: Educational exhibit prepared by 10-13 year olds
Class 1505: For 14-18 year old exhibitors; a non-perishable food product.
Class 1506: Educational exhibit prepared by 14-18 year olds.
Class 1507: Food Gift Package: No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items (prepared for human consumption), made by the 4-H member in a suitable container, no larger than 18” x 18” x18”. Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. On the back of an entry card, answer these questions: 1) What is the intended use: 2) What food safety precautions were taken during and after preparation. This entry will count as a non-perishable food product, not as an educational exhibit. Home canned foods must follow Food Preservation rules. Canning jars should not be used for baking per manufacturer’s instructions. They could break during baking.
Class 1508: Food Flop Class (any food exhibit).
Class 1509: Recipe File in a notebook of your choosing. For each recipe: give name, ingredients and processes used. Tell how it was served. How long did it take and the cost and number of servings. Also give any special stories or memories associated
with your recipe and how well you like it. Maximum
for exhibit: 7-9 yrs old: 4 recipes; 10-13 yrs old: 7
recipes; 14-18 yrs old: 10 recipes. Current year work
only.

Class 1510: “Taste of Coffey” for 2020 will be
Sorghum

Class 1511: Modified non-perishable food product. Product must be modified from original recipe to
nutritionally enhance the food product. Attach one -
8 ½ X 11 inch page (front and back) that includes
Original Recipe, Modified Recipe, and Narrative to
describe modifications made, why modifications
were made and lessons learned such as nutritive
value, or changes in appearance, doneness, aroma,
flavor, tenderness and/or texture. Example: a
standard blueberry muffin recipe that is modified to
make it gluten free. Suggested resources:

Class 1512: Bread Sculpture (individual or teams of
2-3)- Bread sculptures may be constructed
from frozen yeast dough or a yeast dough
made from scratch. Bread sculptures will not
be tasted. Seeds, herbs and other edible
toppings and icings may be used. Must
submit a detailed recipe including shaping
instructions with step by step photos or
sketches. No size restrictions. For small
sculptures, 6 should be entered (i.e. bunnies,
turtles).

NOTE: Eligible for entry at State Fair, but only in
OPEN CLASS, not 4-H. Pre-enter by
August 15.
Class 1513: 4-H Club Decorated Foods Table- Each Coffey County 4-H Club may assemble one decorated table to display all club member food exhibits. Tables will be judged on craftsmanship, organization, presentation and reflection of the current year’s fair theme.

SECTION 16 - 4-H FOOD PRESERVATION
1. Read General Rules and June 4-H Newsletter. Please read all the rules thoroughly!!! Food safety is of utmost importance in food preservation exhibits. Exhibits violating certain rules may be disqualified for food safety purposes.
2. All exhibits must have been preserved since the member’s previous year’s county fair.
3. Recommended recipes and processing methods must be used. Recipes must be from 1995-present. Processing methods that will be disqualified include: open kettle canning, oven canning, and sun canning. Homemade/untested recipes will be disqualified for food safety reasons. Recommended recipe resources include:
   ● K-State Research and Extension Food Preservation publications
   ● USDA Complete Guide to Home Canning
   ● So Easy to Preserve, 6th edition, The University of Georgia Cooperative Extension Service
   ● Ball Blue Book Guide to Preserving
   ● Ball Complete Book of Home Preserving
   ● All New Ball Book of Canning and Preserving
   ● Canning mixes (i.e. Mrs. Wage’s, Ball)
   ● Pectin manufacturers (i.e. Sure-Jell, Ball)
   ● [http://www.rrc.k-state.edu/preservation/recipes.html](http://www.rrc.k-state.edu/preservation/recipes.html)

Refer to following K-State Research and Extension publications for more information:
4H712, Food Safety Recommendations for Food Preservation Exhibits (http://www.ksre.ksu.edu/bookstore/pubs/4H712.pdf)
MF3171 “Sassy Safe Salsa at Home” (http://www.ksre.ksu.edu/bookstore/pubs/MF3171.pdf)
MF3172 “What’s Your Elevation?” (http://www.ksre.ksu.edu/bookstore/pubs/MF3172.pdf)

MF3242 “How to Guide to Pressure Canning” (http://www.bookstore.ksre.ksu.edu/pubs/MF3242.pdf)

4. Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and will not be judged.

5. Members may exhibit up to four entries. At the Kansas State Fair, 4-Her’s may only exhibit 2 items in each division, 1 item per class.

6. Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be lowered one ribbon placing. Recipe must include exhibitor name, recipe source, date of publication, and altitude where food was processed. If using Mrs. Wage’s or Ball mixes, indicate the date purchased.

7. Exhibits must be sealed in clean, clear, standard canning jars, with matching brands (use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric cover wraps or cozies as they interfere with the judging process. No fancy packs unless the recipe states to do so (ex: Pickled asparagus) Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe.

Note: There are 12-ounce, 24 ounce and 28-ounce canning jars available and may be used. Use pint jar process recommendations for 12 ounce jars. Use quart jar process recommendations for 24 ounce jars and 28-ounce jars.

8. Each jar exhibited must be labeled. The label must not cover the brand name of jar. The label must give: Class Number, Product, Altitude where processed, Canning Method (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), date processed including month and year, Name, and County/District.

https://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/docs/food-preservation/Food%20Pres%20Label%202018%201%20x%202.58.docx

9. Hole punch the entry card and use a rubber band to attach the entry card and recipe around the top of the jar.

10. If dried food product is not in a canning jar, it will be lowered on ribbon rating. Suggested amount: 1/3 – ½ cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 16- degrees F before or after drying. This is not
the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in “Dry Meat Safely at Home” www.ksre.ksu.edu/bookstore/pubs/MF3173.pdf

Food Preservation Classes
Class 1601: Sweet Spreads (fruits and/or vegetables), Syrups; One jar
Class 1602: Fruits, Juice, Fruit mixtures (salsa, pie filling, etc.); One jar
Class 1603: Low Acid Vegetables (green beans, corn, or vegetable mixtures); one jar
Class 1604: Pickles, (fruit or vegetable) Relishes, Fermented foods and relishes and chutney; one jar
Class 1605: Tomato/ Tomato Products (tomato juice and tomato salsas); one jar
Class 1606: Meats, One jar
Class 1607: Dried Foods: One small jar.

SECTION 17 – 4-H GEOLOGY AND LAPIDARY
1. The standard size exhibit box should be 18” x 24” X 3 1/2”. Plexiglass covers are required. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18” across the top and 24” deep. If a box has a sliding plexiglass cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used.
2. Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the plexiglass cover (inside- use clear double-sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside.)
3. Exhibitors may enter in both geology and lapidary classes. Exhibitors may show in only one of the first four geology classes (1704, 1705, 1706, 1707) Exhibitor may also show in the geology class 1708 (educational exhibit), 1709 Mineralogy and in one lapidary class.
4. Geology specimens should be labeled with the number of specimens, date collected, specimen name or description, and locality (county only) where collected.
5. For the geology classes (1704, 1705, 1706, and 1707), specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must
be identified to the phylum, classes and genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underlined, not both. The words “phylum, class, genus” on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulata Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Artoculata Genus: Composita).

6. For geology classes 1704, 1705, 1706, 1707 and 1708, all specimens must be collected (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging. (non KSF classes)

Class 1701 – Novice Class (7 years old) nine specimens three rocks, three minerals, and three fossils

Class 1702 – Novice Class (8-9 year olds) 12 specimens four rocks, four minerals, four fossils

Class 1703 – Novice Class – educational display relating to project work.

(KSF qualifying classes)

Class 1704 – Geology. Display at least 15 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year.

Class 1705 Geology. Display at least 30 different rocks, minerals, fossils, at least 5 of each. Fifteen must be collected during the 4-H year. Exhibitor is limited to one exhibit box. This class is open to those exhibiting either first or second time at the fair.

Class 1706 Geology. Display at least 45, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at the fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.
Class 1707 Geology. Display at least 60 rocks, minerals, or fossils; at least 5 of each. **Fifteen must be collected during the current 4-H year.** Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the fair. Identify the rocks as igneous, metamorphic or sedimentary. These rock types must be spelled out on labels or have a legible key.

Class 1708 Geology Educational Exhibit. Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space. **Care should be taken to use durable materials that will withstand fair conditions.** Exhibitors may show in the class regardless of the number of times he or she has exhibited at State Fair or whether the exhibitor has entries in classes 1704, 1705, 1706, 1707. Exhibitors may also exhibit in one lapidary class.

Class 1709 Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (ie: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (ie: CaCO₃ for calcite) if known.

**Lapidary Classes**
The lapidary will be judged on the following criteria:
- **Workmanship & Content**………60 points
- **Presentation & Showmanship**……30 points
- **Accuracy of information**………10 points

All lapidary specimens should be labeled with the following information:
- Specimen name
- Place of origin (country, state, or county; county required for Kansas specimens)
- Purchased or self-collected
- Date lapidary treatment began
- Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen).
Class 1710 Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the State Fair for the first time may exhibit in this class.

Class 1711 Lapidary. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-Her collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 1712 Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-Her, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 1713 Lapidary. Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-Her, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 1714 Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing an end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

Special lapidary exhibits should be entered in class 1708. Please note that each member is limited to one entry in this class.
SECTION 18 – 4-H HOME ENVIRONMENT

Articles may have been used, but if so, shall be carefully laundered or cleaned before being exhibited. Only articles to be judged may be included in the exhibit. All work for the current 4-H year. A label containing name, address, county and class shall be typewritten on a 1x3 inch piece of white cotton tape and sewn to the article on the underneath side near a corner or edge. In case of furniture, etc. a paper label of the same size is to be pasted or tied to the exhibit. Each piece making up an exhibit must carry a label. All 4-H Home Environment exhibits shall be accompanied by a brief story in which the member tells about his project.

Division A – Home Environment

Class
1800. Single Exhibit: An article made or refinished by the 4-H’er for the home. Attach a 3”x5” index card explaining how and why the item was made or refinished, costs involved and how it fits into the color and design of the room.
1801. Poster or display: On poster board or ¼” foam core, no larger than 22”x28”. Displays are not to exceed and standard commercial 3’x4’ tri-fold display board.
1802. Notebook

Poster or Notebook may include swatches, colors, stories, photography, and project records which detail what was accomplished this year with a given indication of long- term plans.

SECTION 19 – 4-H / FFA HORTICULTURE

A 4-H member is limited to a specified number of exhibits in each of the following classes. Except Classes 1904 thru 1907, 1910 & Class 1911 (two each) and Class 1914 (other) where exhibitors may enter three.

Classes:
1900. Garden Display
Each exhibitor in this class will be limited to four square feet of space. Exhibit consists of five different fresh vegetables. Canned vegetables are not acceptable. Only one variety of each type of vegetable may be exhibited. The number of five vegetables to be exhibited are as follows: Large vegetables (one each): Watermelon, Squash, Large Pumpkin, Eggplant, Cabbage, Cantaloupe, or similar size vegetable.
Medium, Vegetables (five each): Cucumbers, Tomatoes, Carrots, Beets, Onions, Peppers, Parsnips, Okra, Irish Potatoes, Sweet Potatoes, Miniature pumpkins, Decorative Gourds, or similar size vegetables.

If small vegetables, such as green beans, waxed beans, English peas or other similar sized vegetables, a dozen is suggested for a good display. Shelled vegetables should not be exhibited. Quality and condition of exhibit will be considered. Choose vegetables for exhibits that will hold up well during the fair. Avoid overripe or over-mature specimens. Those that are slightly under ripe or slightly immature when picked may last longer. Helpful tips can be found in the following publications: Exhibiting Fruits and Vegetables (C-405) and Preparing Cut Flowers for Exhibit (4-H 826) available at the Extension Office.

Class

1901. Small vegetable specimen plate - (12/plate) Maximum of 4 total entries of one variety each in this class. Ex. snap beans, wax beans, other small vegetables.

1902. Medium vegetable specimen plate - (5/plate) Maximum of 10 total entries of one variety each in this class. Ex. cucumbers, tomatoes, beets, onions, peppers, okra, radishes, turnips, potatoes, miniature pumpkins, decorative gourds, other medium vegetables.

1903. Large vegetable specimen plate - (1/plate) Maximum of 6 total entries of one variety each in this class. Ex. watermelon, summer squash, winter squash, large pumpkin, eggplant, cantaloupe, cabbage, and other large vegetables.

1904. Fresh Culinary herbs (6 stems in a disposable container of water) Dried herbs not accepted. Ex. parsley, basil, dill, etc.

1905. Small Fruit (one half pint box) Ex. strawberries, raspberries, blackberries, other similar sized fruit.

1906. Tree fruits (5/plate) Ex. apples, pears, peaches or other tree fruits.

1907. Grapes (plate of 2 bunches)

1908. Sunflower

1909. House plants, foliage or flowering

1910. Annual Garden Flower, cut specimen, single stem

1911. Perennial Garden Flower, cut specimen, single stem

1912. Fresh Flower arrangement. May not be purchased, must be grown by exhibitor.
1913. Dried Flower arrangement, no fabric or plastic material allowed

1914. Other

SECTION 20 – 4-H PHOTOGRAPHY

1. Black and white prints and color photographic prints may be exhibited.
2. Each exhibitor will be limited to FOUR entries in classes 2001-2006 with not more than 2 entries per class. Additionally, each exhibitor may enter 1 digital composite and 1 portfolio.
3. Photographs/images entered must be the result of the current year’s project work by the 4-H member. Photos must be taken by the 4-H Member (exhibitor). Plagiarized works will be disqualified.
4. Remove white border from the photo print before mounting.
5. All photos must be no larger than 8” x 10” and not smaller than 7”x 9” after trimming.
6. Photos are to be mounted across the narrow (11”) dimension of an 11”x12.5” sheet of white or cream studio matte board. Mounting boards and protective bags may be purchased at the Extension Office.
7. Photos must be mounted with the top edge of the print 1” below the top of the mount (board is always oriented narrow side up-portrait style). The sides of the print must be equal distance from the two sides of the mount.
8. A permanent mount must be made by using photographic adhesive. Using photographic/craft spray adhesives or hot mounting are the recommended mounting methods. Other methods including glue dots and glue sticks are acceptable, but may not give the best results. Double-sided tape and rubber cement are not acceptable adhesives.
9. No lettering, including dates, is permitted on the front of the mount or on the photo. No underlay or borders are to be used. No under lays or borders are to be used.
10. To protect exhibits from dust and moisture, it is recommended to place photos in a plastic bag (these are also available at the Extension Office). Important:

92
these bags must be left open (unsealed) for the judging process! Green cards should be taped to the outside of the bag on the back side.

11. On the back of the mount, write; the exhibitor’s name, photo class, location where the photograph was taken and the county name.

12. Improperly mounted photos, oversize or undersize photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon placing lower than the placing determined by the judge.

13. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.

14. Digital Composite Image: Finished photos must be created from two or more original images photographed by the exhibitor. HDR photos do not qualify for this class. A digital composite image is a result of two or more photographs being combined or laid on top of one another. This is NOT a “photoshopped” or “altered” image. If you have questions, contact Clarissa. Photos will be judged on photographic merit as well as manipulation technique and process. Ribbon placement will be determined by combining the score of each judging section.

15. The black and white class is for black and white prints only. Monochromatic Prints including sepia prints are considered color photos and must be entered in the appropriate color photo class. Black and white combined with an area of color are still classified as a color photo.

16. Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the County or State Fair.

17. Photos with live subject(s) on railroad right away or taken from railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.

18. Copyright protections must be observed. Taking a photo of a registered trademark is not copyright infringement. However, a photograph of a copyrighted work of art such as a sculpture, or a photo taken by another person; is copyright infringement. See the following resource for more
information on what is/is not copyright infringement.
https://www.extension.iastate.edu/4hfiles/StateFair/SFDocuments/SFUseofCopyrightVI010401.pdf

19. Decisions as to display and/or penalize exhibits will be made by the Photography Superintendent and Extension staff.

Classes:
2001 - Color photos taken by 4-H’er with 3 years or less in the project.
2002 - Color photos taken by 4-H’er with 4-7 years in the project.
2003 – Color photos taken with 8 or more years in the project.
2004 – Black and white photos – taken by 4-H’er with 3 years or less in the project. (Black and white prints only).
2005- Black and white photos- taken by 4-H’er with 4-7 years in the project. (Black and white prints only).
2006- Black and white photos- taken by 4-H’er with 8 or more years in the project. (Black and white prints only).
2007 – Digital Composite Image photos must be from two or more originals taken by the exhibitor. Exhibitors must include a second 11x12 ½ matte board (Explanation board) mounted with standard size prints of the original photo(s), 3x5 card(s) explaining what manipulation was done and a standard size print of the final photo. Optional, may include prints of editing steps. Photos showing editing steps may be layered. Put name and county on the front of the second board. Explanation boards will be displayed along with the finished board. Place both matte boards in the same two gallon plastic bag.

Portfolios
2008—Growth Portfolio

1. Members must have been enrolled in a Photography project for five (5) years or more.

2. Exhibit will consist of 5 (five) photos - one from each of the past 5 years of enrollment. Each photo must have been created in a different year and must be labeled with the year taken and which year of enrollment it represents.
3. Photos must be 8” x 10” and may be color or black and white.

4. An information sheet must accompany each photo giving the brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.

5. Skill set used to create the photo must be given and explained. Main goal for each year should be listed.

6. Beginning with photo 2, member description of GROWTH in project skill must be included on the information sheet.

7. Exhibit will consist of photos arranged in chronological order of enrollment, information sheet on each photo, and all information listed in #6 and #7. A portfolio book will be required.

**2009-Career Portfolio**

1. Members must have been enrolled in Photography for 5 (five) or more years OR members must be age 15 -19 and have been enrolled in photography for at least two (2) years.

2. Exhibit will consist of ten (10) 8 x 10 photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos). Photos may have been created over multiple project years.

3. Photos may be color except if Black and White option is chosen.

4. An information sheet must accompany each photo giving the brand and model of camera used to create the photo. The settings for focal length, aperture, mode and shutter speed must also be listed.

5. A one page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while
doing so. Mentors should be acknowledged. Career exploration can also be described.

6. Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

**Snapshot Series**

A snapshot is a photograph that is "shot" spontaneously and quickly, most often without artistic or journalistic intent. Put into a series, snapshot series is a display of multiple, similar photos displayed one after another. Topics may include things, events, or people of a similar nature. The snapshot series should include 4”x6” prints and be displayed on a standard 18”x24” poster board. The number of pictures in the series is determined by the exhibitor.

* Not eligible for State Fair competition.

2010 – Non-adjustable camera, exhibit by 4-Her 7-9 years old.
2011 – Non-adjustable camera, exhibit by 4-Her age 10-13 years old.
2012 – Non-adjustable camera, exhibit by 4-Her age 14-18 years old.
2013 – Semi-adjustable camera, exhibit by 4-Her age 7-9 years old.
2014 – Semi-adjustable camera, exhibit by 4-Her age 10-13 years old.
2015 – Semi-adjustable camera, exhibit by 4-Her age 14-18 years old.
2016 – Fully adjustable camera, exhibit by 4-Her age 7-9 years old.
2017- Fully adjustable camera, exhibit by 4-Her age 10-13 years old.
2018- Fully adjustable camera, exhibit by 4-Her age 14-18 years old.

**SECTION 21 – 4-H SPACETECH**

(4-Her’s qualifying for State Fair competition should go to the Kansas State Fair Kansas 4-H Exhibitor Handbook for more specific information regarding rules and guidelines pertaining to the various aspects of State Fair Spacetech exhibition)

**Division A - Rocketry**

**Special Rules**

Kansas 4-H has adopted the National Association of Rocketry rules, regulations and safety guidelines. Exhibit Rules for ALL rocketry categories: (as per KSF rules and guidelines)
1. 4-H members must be currently enrolled in the 4-H SpaceTech-Rocketry program to exhibit in this division.

2. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be either a “kit” or a “rocketry educational exhibit” and the second may be entered into any other applicable class.

3. An exhibitor may not enter two rockets in the same class.

4. The report that accompanies the rocket must be limited to the 4-H SpaceTech Rocket Exhibit Information Form which is affixed to a 10” x 13” envelope. This envelope should NOT be attached to the rocket stand or rocket. This may be downloaded from www.KansasSpaceTech.com. Any rocket exhibit not including this completed envelope will receive an automatic participation ribbon.

5. Plans (or a photocopy) must be placed inside the envelope.
   a. This includes original design rockets.
   b. If a rocket kit has been modified structurally, notations need to be given indicating the changes made, either by notations on the Rocket Exhibit Information Form or by placing notes in the plans.

CONSTRUCTING THE ROCKET:
Rockets are to be properly assembled according to the assembly instructions. County guidelines will be much more relaxed than at Kansas State Fair- so check KSF guidelines if you plan to exhibit there too. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a ‘scale model.’ All other rockets do not have to follow the suggested paint scheme, allowing the 4-H’er to display maximum creativity in the finishing of their rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the model from one ribbon placing to another. “Scale models” may be judged based on their paint scheme.
The judge may deduct up to one ribbon placing for not following the paint scheme. Scale Model
Rockets are to be finished and completed with a majority (greater than 70%) of decals.

6. One or more photographs of the rocket at the launch site are required.
   a. Photographs showing the rocket at the moment of ignition are preferred.
   b. Photographs must be mounted on one side of 8 \( \frac{1}{2} \)" x 11” page(s).
   c. There must be at least 1 page of photos and no more than 5 pages of photos.
   d. Include at least one photo showing rocket construction, preferably with the exhibitor included.
   e. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.

7. To exhibit in this division:
   a. The rocket must have been flown.
   b. Support rods must not extend past the tip of the highest nosecone on the model. Based dimensions should be 8in x 8in.
   c. Support rods must remain in the upright position, 90 degrees to the display base, do not angle. If support rods are not perpendicular to the base, the judge should deduct two ribbon placings.
   d. No model may be submitted on a launch pad.

8. Launches should not be conducted in winds above 20 mph, and will constitute a disqualification of rocket exhibit.

9. All rockets must have a safe method of recovery, e.g., parachute, streamer or tumble recovery. Any rocket without a recovery system will be disqualified.

10. The altitude achieved by the rocket is to be determined using a method other than estimation. Examples of accepted methods include altimeter, computer software, range finders, etc.

   If additional space is needed to show calculations of how the altitude was achieved one additional page may be added to the rocketry information pack.
11. Flight damage is to be documented by the participant on either the construction plans or the 4-H SpaceTech Rocket Exhibit Information Form.

12. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However under no circumstance may flight damage be grounds for disqualification.

13. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.

14. If an engine becomes stuck, jammed, wedged, or in any other way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification. This is because it is not possible to make a full and immediate assessment of the safety of the rocket when it is being judged and safety is paramount.

15. Engines may not be used as display stands hallowed out or otherwise. Engines used as a display stand will be subject to immediate disqualification.

16. Rocket engines should not be used to join multi-stage rockets together.
   a. Multi-stage rockets can be displayed without having the stages connected together.
   b. The different stages must be included to complete the rocketry exhibit. Incomplete exhibits will be deducted at least one ribbon placing.
   c. Use of any engines to join the stages together will be subject to immediate disqualification.

17. Multi-stage rockets can be flown using just the final stage and be considered fully flown.

18. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s rocket, at the judges’ discretion, will receive a participation ribbon.
Classes

Exhibitors 7-9 years old

2101 – Rocket made from kit - include plans.
2102 – Rocket designed by exhibitor not merely modification of an existing kit rocket- include original plans.

Exhibitors 10-13 years old

2103 – Rocket made from kit - include plans.
2104 – Rocket designed by exhibitor not merely modification of an existing kit rocket- include original plans.
2105 - Rocketry Educational Display i.e. Rocketry Notebook or Rocketry Poster Board

Exhibitors 14-18

2106 – Rocket made from kit - include plans.
2107 – Rocket designed by exhibitor not merely modification of an existing kit rocket- include original plans.
2108 – Rocket designed by exhibitor using alternative skins not merely modification of an existing kit rocket- include original plans.
2109 – High Power Rocket made from kit or original design – Contact Extension Office for special State 4-H requirements for high power rocket exhibits.
2110 - Rocketry Educational Display i.e. Rocketry Notebook or Rocketry Poster Board

Exhibitors 11 and older

2111 – Rocket designed by 2 or more exhibitors, not merely modification of an existing kit rocket. Include original plans.

Division B – Robotics

1. 4-H members must be currently enrolled in the Kansas 4-H SpaceTech project to exhibit in this division.
2. Each exhibitor may enter one robot per class. Exhibits must have been constructed and/or completed during the current 4-H year. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.
3. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
4. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
5. Robots may be powered by an electrical, battery, water, air or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil
fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.

6. Remove controlled robots are allowed under certain conditions provided that the robot is not drivable. Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.

7. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year.

8. Each exhibitor is required to complete the “4-H SpaceTech Robotics Exhibit Information Form” which is available through the Extension office. This form must be attached to the outside of a 10” x 13” manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.

9. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5 minute CD, DVD, or video presentation, and robot programming information, if applicable. If using a CD or DVD, the exhibitor must bring a laptop or phone to play the disc for judging. However, no exhibitor will be allowed to set up their robot in person. This information should be placed inside the 10” x 13” manila envelope mentioned above. The exhibitor may enter their electronic project listed under the electric program as under the SpaceTech robotics project if the exhibitor so chooses.

10. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes.

11. Exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the robot, educational display, notebook, and/or poster board. Sources of scientific information must be cited on the front of your exhibits, including all posters and educational display boards.

12. Educational displays are not to exceed a standard commercial 3’ X 4’ tri-fold display board. No cardboard table exhibits will be allowed. Care should be taken to use durable materials that will withstand fair conditions. No
13. Educational posters must be no larger than 20” x 30”.
14. Team project notebooks must be organized in a 3-ring binder and should highlight information/roles of each team member, drawings, charts, photographs, goals and objectives of your robotics project, and all robotic competitions your team has competed in during the current 4-H year.

**Classes**

**Novice – One to Two years in Robotics Project**

2120-Robot made from a commercial (purchased) kit.
2121-Robot designed and constructed by the exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
2122-Programmable robot made from a commercial (purchased) kit.
2123-Robot designed and constructed by exhibitor, that is operated by a remote controlled device.
2124-Junk Drawer Robotics-based curriculum robot.
2125-Robotics Educational Display - Robotics Educational Notebook or Robotics Educational Poster.

**Intermediate - Three to Four years in Robotics Project**

2126-Robot made from a commercial (purchased) kit.
2127-Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
2128-Programmable robot made from a commercial (purchased) kit.
2129-Robot designed and constructed by exhibitor, that is operated by a remote controlled device.
2130-Junk Drawer Robotics-based curriculum robot.
2131-Robotics Educational Display - Robotics Educational Notebook or Robotics Educational Poster.

**Professional - Four or More years in Robotics Project**

2132-Robot made from a commercial (purchased) kit
2133-Robot designed by the exhibitor. The robot must not be a mere modification of an existing robot kit or plan.
2134-Programmable robot made from a commercial (purchased) kit.
2135-Robot designed and constructed by exhibitor, that is operated by a remote controlled device.
2136-Junk Drawer Robotics-based curriculum robot.
2137-Robotics Educational Display - Robotics Educational Notebook or Robotics Educational Poster

Team Robotics Project

Class 2138 - Robot designed and constructed by 2 or more 4-H Space Tech project members which is eligible for the Team Robotics Challenge at the Kansas State Fair, if entered. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H Space Tech members.

As with many high tech projects today, no one person designs and builds a robot alone. It takes brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project. Exhibitors in this division will be assigned a task for their robots to perform. The Tasks are changed annually. Please visit the Space Tech website http://www.kansas4h.org/Events/SpaceTech/ for the current year’s task. Click on the KSF Packet link.

Class 2139 – Team Educational Display, poster or notebook.

Division C – Astronomy

1. The 4-H member must be currently enrolled in the 4-H SpaceTech project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Judges should select only top blue or purple ribbon Astronomy exhibits which meet State Fair guidelines to go on to the State Fair.
3. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes, which require no construction or painting are not acceptable exhibits.
4. Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
5. Each telescope exhibit must include a “4-H Astronomy Exhibit Information Form,” which should be attached to the outside of a 10” x 13” manila envelope. You must also include construction plans (or a photocopy) of the telescope.
and place it inside the manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.

6. See the last section for full details about exhibiting posters, display boards and notebooks.

7. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8 ½” x 11” page. A brief caption should accompany each photograph. Place photos in the 10” x 13” manila envelope.

8. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smoothly and tight.

9. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.

10. Exhibitor’s name, county or district, age, and year(s) in the project must be tagged or labeled in a prominent location on the telescope stand, educational display, notebook, and/or poster.

11. Educational displays should be creative and showcase something specific the 4-H member has learned in the Astronomy project during the current 4-H year. Be careful to follow copyright infringement laws. Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.

10. Educational displays are limited to one 3’x 4’ tri-fold display board. No cardboard table exhibits will be allowed. Care should be taken to use durable materials that will withstand fair conditions. No electricity will be provided.

11. Exhibitor’s name(s) and county must be labeled in a prominent location on the robot educational display, and/or notebook.

12. Astronomy Educational posters must be no larger than a 22” X 28” poster board.

13. Astronomy project notebooks must be organized in a 3-ring binder.

Class 2140. Telescope made from kit
Class 2141. Telescope made from original design
Class 2142. Astronomy Educational Display, poster or notebook.

Division D – Computers

1. The 4-H computer project teaches concepts related to computers, hardware knowledge, software programming and applications, internet safety, the building, maintenance and repair of computers and future career opportunities. Please note that the actual construction of computer hardware (i.e., building a computer, electronic devices with a motherboard based
2. The 4-H members must be currently enrolled in the 4-H SpaceTech project to exhibit in this division.
3. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
4. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the computer project. Value is placed on youth who can demonstrate how their skills have increased while completing the project.
5. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet will be available on the Kansas 4-H SpaceTech website.
6. Follow copyright laws, as explained in the General Rules as you are preparing your exhibit(s). Site your sources of scientific information on your exhibit, when appropriate.
7. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits as in some phases of SpaceTech.
8. Educational posters must be no larger than 22” x 28” poster boards.
9. Educational displays are not to exceed a standard commercial 3’ x 4’ tri-fold display board. Commercially available Science Fair Presentation Boards are encouraged. Exhibitors are encouraged to laminate all posters and maps or cover them with clear plastic film.
10. Project notebooks must be organized in a 3-ring binder.
11. Exhibitor’s name, county or district, age, and years(s) in the project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
12. If the notebook illustrates the creation, talks about, or shows the result of an app, application, executable program, or other compiled/interpreted “source code,” a copy of the source code should be included. (In other words if you created an app for a smartphone and you're illustrating that app, you should include the code you used to build the app). Failure to include a copy of the “source code” may result in up to one ribbon place deduction.
13. Additional and more advanced computer manipulation) will remain in the Energy Management division.
exhibits will be accepted. This second phase of the computer project will consist of using virtual machines (VM's) to develop highly functional applications. These applications can be transported from system to system and are typically not constrained by physical hardware. For more information, call the Extension Office.

Class 2150- Computer Educational Poster
Class 2151- Computer Display Board
Class 2152- Computer Notebook

Division E- Unmanned Aerial Systems

Purpose: The 4-H unmanned aerial systems or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Unmanned Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of unmanned aerial systems including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.

1. The 4-H members must be currently enrolled in the 4-H SpaceTech project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
3. The information that accompanies the UAS must be limited to the 4-H SpaceTech Exhibit Information Form which is affixed to a 10” x 13” envelope. This envelope should NOT be attached to the UAS.
4. Exhibitor’s name, county or district, age, and years(s) in the project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
5. Unmanned Aerial Systems that include or depict weaponry of any kind will be disqualified.
6. See the last section for full details about exhibiting posters, display boards and notebooks.

I. Junior, 7-9 years old

Class 2160- Unmanned Aerial System designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must
not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 2161-Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

II. Intermediate, ages 10-13

Class 2162-Unmanned Aerial Systems designed and constructed by exhibitors that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 2163-Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

III. Senior, ages 14 and older

Class 2164-Unmanned Aerial Systems designed and constructed by exhibitors that are operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 2165-Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.
SECTION 22
4-H VISUAL ARTS AND CRAFTS, 4-H HERITAGE ARTS AND 4-H FIBER ARTS

Two items per class. Must be enrolled in a corresponding project to enter in any class. Not over six total items in section 22. Entries by age group, juniors 7-9; intermediate 10-13, seniors 14 and over. Multi-piece items should be marked accordingly (i.e. 1 of 4, etc.) Use 5”x 7” index card for identification: Name, Age, Club and Class Number/Name. All exhibits are entered at your own risk.

At the Kansas State Fair, 4-H members are only allowed ONE item from Visual Arts & Crafts. Art pieces at the state fair MUST have sawtooth or wire elements for hanging. This is not a requirement for the County Fair, but it is encouraged to display your work the same way at both county and state levels. Framed pieces give a more complete look and may be placed higher than non-framed pieces.

**Note: Counties are limited on the number of entries we can take to the State Fair. Thus, not all purple ribbon winners will be eligible. More information will be available at the time of the fair.

**Division A- VISUAL ARTS & CRAFTS**

**CLASSES**

2200: Visual Art Exhibit by 7-9 Yr Old Exhibitor- Limit 6 entries per exhibitor. Restricted to 2 entries of the same media type (i.e. 2 pencil, 2 watercolor, 2 charcoal)

2201: Visual Art Exhibit by 10-13 Yr Old Exhibitor- Limit 6 entries per exhibitor. Restricted to 2 entries of the same media type (i.e. 2 pencil, 2 watercolor, 2 charcoal)

2202: Visual Art Exhibit by 14-18 Yr Old Exhibitor- Limit 6 entries per exhibitor. Restricted to 2 entries of the same media (i.e. 2 pencil, 2 watercolor, 2 charcoal)

**Division B- FIBER ARTS**

1. Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving, knitting, needlepoint) or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art.) Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.

2. No exhibit will be released for any other use. Heritage Fiber arts exhibits cannot be used for any
of the Family & Consumer Sciences Clothing Classes.

Identification Label:
a. Type or print on 3” x 2.5” piece of cloth: class number, county and exhibitor’s name.
b. Sew or safety pin this ID label on the corner of flat articles
c. For garments, attach an ID label to the front left shoulder seam, or left side of the waistband, as if you were wearing the garment.

3. A member may not enter over six items total in Section 22. At the Kansas State Fair, exhibitors may only enter one exhibit per class, with a total of up to three Fiber Arts Exhibits. All articles/ garments must be finished for use.

4. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.

5. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.

6. The exhibitor should attach an index card, no larger than 3” x 5”, with the entry form to give the judge any information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful for the judge. For all items please indicate if the item was made from a kit, as well as fiber content, and specifically if they are made of at least 90% wool. For quilted items, indicate who did the quilting and binding.

7. Exhibitors are expected to be enrolled in the Fiber Art project in which they are entered. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting,) the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left up to the 4-H participants.

8. All exhibits which need to be hung, MUST have the appropriate saw tooth hanger, rod, wire or other mechanism attached in order to be properly displayed. If the necessary hardware is not attached, it may not be displayed.

9. There are no age specific classes in fiber arts. The Exhibitor’s age and years in the project will be considered by judges.

Fiber Arts Classes

2221: Crochet, an article including felted items (see #6 above).
Knitting, an article made either by hand or by knitting machine including felted items (see #6 above).

Needle Arts, an article created by using any of the following techniques:
   a) Embroidery and cross-stitch
   b) Needlepoint
   c) Candle wicking
   d) Crewel
   e) Lacework
   f) Appliqué

Patchwork or Quilted article- It is acceptable practice for the exhibitor to create the patchwork or quilted article and have someone else quilt it.

Rug Making, a rug – acceptable techniques included braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be an item used in the home.

Spinning, a skein-minimum 10 yards in length

Weaving, a woven article- Members should attach information about the type of loom or processes used.

Ethnic Arts, an article: This is defined as a Fiber Art technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and example, such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tatting etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of the technique, etc.

Macramé, an article

Other- any article not fitting into any of the above classes

Fiber Arts Educational Notebook - Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to’s, photographs of completed projects, or other ways of educating others about fiber arts.

NOTE: A collection of brochures, web pages, patterns, record book forms, etc. does not constitute
an educational notebook. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Name, county and fiber art covered must be clearly marked in the notebook.

SECTION 23 – 4-H / FFA WILDLIFE
1. Only one entry per exhibitor
2. Exhibitors must comply with state and federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.
3. KSRE, and the Coffey County Fair are not responsible for damage during the exhibition period.
4. Name, county, age and year in project should be in a prominent location on the exhibit.
5. Notebooks and Displays will be judged on the following points:
   - Stopping Power................ 15
   - Interest, Holding Power.... 15
   - 4-H Project Application...15
   - Mechanical Power............ 15
   - Personal Growth.............. 25
   - Educational Value............ 25
   - Knowledge Shared. Credit all citations.
6. Posters will be judged on the following points:
   - General Appearance......... 30
   - Information...................... 50
   - Organization.................... 20
***NOTE: Credit all citations, websites or other resources used in creating your exhibit.
Classes:
- 2300: Notebook. Contents pertain to some phase, results, story or information about the wildlife project
- 2301: Promotional Poster. Must be related to something learned in the wildlife project. (Flat poster board or foam board no larger than 22” x 28”)
- 2302: Educational Display. Must be directly related to the wildlife project. Maximum tri-fold size is 3’ x 4’.
- 2303: Taxidermy/Tanning Exhibit. Should include an attachment that shows the work in progress through photos with captions, or a detailed journaling of the process.

SECTION 24 – 4-H WOODWORK

111
1. Only those who have met the requirements of the woodwork project are eligible to exhibit in this division.
2. A total of four articles may be entered in any class or combination of classes.
3. The plan from which the exhibit was constructed that should also include material costs must be with the article. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step by step instructions is not a plan. Any project with missing or insufficient plans will be lowered one ribbon placing.
4. Refinished/ repaired furniture should be exhibited in Home Environment.
5. Projects that have unsecured glass, i.e., glass shelves, glass top of a coffee table, etc. should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
6. The entry card, plans and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to accomplish this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit.
7. Firearms and weapons are not to be entered or exhibited.
8. Entries made in classes 2401-2403 may qualify for State Fair.

Classes:
2401: Article for farm or shop use
2402: Furniture for household or lawn use.
2403: Other woodwork
2404: Woodwork made from a kit

SECTION 25 - CLOVERBUDS
ALL Cloverbud “handiwork” is to be exhibited as a single group. Cloverbud pets exhibition will be incorporated into a non-competitive section of the Dog and Hand Pet show. ALL Cloverbud exhibits will receive a Cloverbud ribbon with no associated premium. The Cloverbud exhibit also includes a “show and tell” portion in which the Cloverbud
member may visit with a designated individual (i.e. judge or 4-H Ambassador, volunteer) about what they are exhibiting and what they have done. No competitive judging of the exhibit shall occur. Cloverbuds may make up to three entries in class 2501, one entry in class 2502, one entry per division in class 2503, and one entry in class 2504. Handiwork exhibits will be entered Wednesday, July 22nd from 10:30-12:30. The “Show and Tell” will be done as exhibits are entered. Cloverbud Pets exhibits will be entered at the Dog, Cat and Hand Pet Show. ALL CLOVERBUDS MUST COMPLETE PRE-ENTRIES with the Extension Office by 5 pm on June 29th.

Classes:
2501 –“Handiwork” exhibits i.e. arts/crafts, foods, sewed items, etc.
2502 – Pets.
2503- Livestock; (B) Bucket Calf; (P) Swine; (S) Sheep; (G) Goats; (R ) Rabbit; (Pt) Poultry
(To comply with the Kansas 4-H Cloverbud guidelines “Cloverbuds” are not allowed to enroll and participate in the livestock projects that require long-term, ongoing care or weigh-ins. Therefore participation will only be of a non-competitive “showmanship” format of the Coffey County Fair.) Cloverbuds who have pre entered in class 2503 may not also exhibit in the open class “Lil Tykes” livestock classes.
2504- Fashion Revue: Cloverbuds may model one outfit of their choosing at the 4-H clothing judging and fashion revue on Saturday, July 18th (outfit may be constructed or purchased).

SECTION 26- WESTERN HERITAGE

**NOT STATE FAIR ELIGIBLE**
Exhibits in this project area will be judged by their corresponding class areas but will be displayed together. Western Heritage exhibitors do not have to be enrolled in the corresponding project area in which they are exhibiting as long as they are enrolled in Western Heritage. SPORTSMANSHIP

Conduct becoming to an individual involving fair and honest competition, courteous relations, and graceful acceptance of results.

The development of sportsmanship is an important part of youth development. To become contributing, competent, caring, capable adults, youth must develop the knowledge, skills, attitudes and aspirations of sportsmanship.

Parents and supporters are asked to help their children develop sportsmanship by setting a good example, and demonstrating sportsmanship before, during and after competitive programs.

Examples of ways to help youth learn to be a fair and generous competitor, a good loser, and a graceful winner:

1) Teach youth sportsmanship. Require him/her to demonstrate sportsmanship before, during and following competitive activities.
2) Demonstrate and maintain high standards of personal behavior and conduct which become his/her as an individual and as a representative of your family, your club, your community and the program.
3) Learn and follow the rules.
4) Be objective.
5) Show integrity.
6) Be pleasant and nice toward other participants, spectators, program officials, judges, the media, supporters and others.
7) Accept the judge's suggestions and the results with a positive attitude.
8) Congratulate all the exhibitors.
9) Do not complain or make accusations about others unless you have hard proof and are willing to personally face the person being accused.
10) Thank leaders, program organizers, sponsors, judges and others.
11) Applaud all exhibitors and groups. Express appreciation and admiration.
12.) Encourage youth to politely ask questions if they have them, express concerns they have, and make helpful suggestions to program officials and organizers.

13.) Enjoy the program and accept our appreciation for setting a good example.
