Creating Entries- 4-H and FFA

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 photographs, two entries into the photography class must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this exhibitor group (and entries) or proceeding to check-out (submitting the entries, whether or not fees are charged).
### Entry Process

1. Click Add an Entry beside the correct exhibitor (if more than one has been created).

2. Click Select beside the first department you wish to enter. Any departments that are not available for entry will be noted as “Not Available” with a short explanation.

3. After you select a department, you will see a list of divisions to select from, and then a list of available classes. *Also notice that there are blue “Change” links in case you mistakenly select an incorrect department, division, or class.*

   After you have selected the class, click the green Choose button.

### Multiple Entry Process

4. Some divisions in our fair have the Multiple Entries option for that area, you will see a screen similar to the view below. If you do not see checkboxes next to each class, this area uses the single-entry process (see step 14).

5. If this is an Animal Entry, click Add Animal and enter the Animal’s details.

6. If this is a pen or group entry, Add multiple animals and then select to Enter a pen of animals.

7. Select which animals will be part of this entry (NOTE: these animals will be available for this exhibitor to use in other entries, if needed).

   *Check the box next to each class this animal will enter.*
If this is not an animal entry, simply select the classes and number of entries in each class that you would like to create for this exhibitor. Click Continue.

8. Review the entries. If you need to make any changes, click Cancel. If everything is correct, click Create Entries.

14. If this is not an animal class entry, follow the instructions on-screen to enter any additional information such as Entry Description, Custom Questions or Custom Files associated with that entry.

15. If this is an **animal class entry**, you are required to specify which animal will be exhibited in this class; You will see the option to “Add an animal”.

16. Choose “Enter a New Animal Record” to enter new animal information.

Fill in all of the fields with information about the animal you intend to exhibit. Click Create and Add Animal when finished.    c. If all entries for all exhibitors in the exhibitor group have been completed, Continue to Payment to finalize and submit your entries.

Entry Process

Note: You will have to go through the payment screen to submit your entries. However, payments will not be accepted through FairEntry for photo boards, buyer ribbons, stall fees for large beef animals, etc. Those payments should be made to the Extension Office via cash, check, or the “Donate” button on our 4-H webpage just as they have always been taken in the past. Stall fees should be paid to the Coffey County Fair Board, while buyer ribbons and photo boards are paid to 4-H Council.

We will PRINT entry cards for you. These entry cards should be picked up during pre-fair cleanup to attach to your exhibits. All exhibits must have entry cards on them before being entered for judging on entry day.
