Re: Introducing FairEntry – the Online Fair Management System

The Coffey County Extension Office is excited to announce that we will once again utilize the FairEntry online fair management system for the Coffey County Fair. Beginning May 15, 2022 please log on to <http://coffeycountyfair.fairentry.com/> from your computer or any mobile device (including smartphones) to submit your entries to the fair. The online entry system will streamline the entry process, so check-ins, show programs and results can be processed and posted quickly and efficiently at the fair.

Online entries will be required for all exhibitors. The deadline for online entries in the areas of Cloverbuds, Clothing, Demonstrations, all Livestock (including rabbits and poultry), and all pets is June 29, 2022. The deadline for online entries in all other projects is July 13, 2022. ALL ENTRIES MUST BE PRE-ENTERED BY THEIR RELEVANT DEADLINE. The deadlines will be strictly enforced since the system will close entries at 11:59 p.m. CT on these dates. Late entries will be assessed a late fee. We have attached instructions for the entry process on the next page. If you do not have internet access or need assistance with the entry process, the Extension Office is always available to help you with your entries.

If you have any questions about the process, feel free to stop in or give us a call during regular business hours for assistance or send us an email at ljohnson15@ksu.edu or jbarnhardt@ksu.edu We look forward streamlining these processes to make your fair experience the best yet!

Thank you,

Darl, Jill, and Lauren
