Achieving Goals

Tip: Long term goals can seem so far away. Focus on just one or two long term goals each month. Make short term goals to work toward achieving your long term goals.

This month I want to focus on achieving my individual goal to

In order to work toward achieving this goal I will

By the last day of this month.

This month I want to focus on achieving my individual goal to

In order to work toward achieving this goal I will

By the last day of this month.

This month our project group will focus on the goal to

In order to work toward achieving this goal we will

By our next project meeting.

Tip: Setting short term goals helps you stay focused on achieving your long term goals.
